Re: SACC Furniture and Materials – Child Care Stabilization Grant

Our district has been awarded two rounds of funding from the Child Care Stabilization Grant. The Child Care Stabilization Grant is a \$700 million investment in child care providers across Michigan. The Stabilization Grant is a non-competitive grant, although providers must apply to receive the funds, for child care providers to help stabilize operations and support the health and safety of children and staff.

With funds from the first round of grant funding, individual orders were placed for many of the SACC (School Age Child Care) sites to update their furniture. Not all SACC sites received new furniture. We would like to use a portion of the grant funds from the second round of funding to update some of the furniture in those SACC classrooms that didn't receive furniture in the spring. Items to be purchased include tables, chairs, storage units, classroom manipulatives, STEM mobile stations, light tables, area rugs, and books bins. The purchase would be made via the OMNIA Partners cooperative purchasing program through Lakeshore Learning, for a total cost of \$35,400.87.

Please include this agenda item for the Monday, November 7, 2022, Board of Education Committee of the Whole meeting. As always, please contact me if you have any questions.
