Student Transfers To and From Non-District Schools 17

A student may transfer into or out of the District according to State law and procedures developed by the Superintendent or designee. A student seeking to transfer into the District must serve the entire term of any suspension or expulsion, imposed for any reason by any public or private school, in this or any other state, before being admitted into the School District.

- 5. Becoming experts on the foster care system and State laws and policies in place that support students in DCFS custody;
- 6. Coordinating with child welfare partners;
- 7. Providing foster care-related information and training to the district;
- 8. Working with DCFS to help students maintain their school placement, if appropriate;
- 9. Reviewing student schedules to ensure students are on track to graduate;
- 10. Encouraging a successful transition into adulthood and post-secondary opportunities;
- 11. Encouraging involvement in extracurricular activities; and
- 12. Knowing what support is available within the district and community for students in DCFS custody.

17 105 ILCS 5/2-3.13a requires each transferor (original) school to keep documentation of transfers in the student's record. It also requires "notification [by the transferee (recipient) school] of the transfer on or before July 31 following the school year during which the student withdraws from the transferor school or school district or the student shall be counted in the calculation of the transferor school's or school district's annual student dropout rate." ISBE rule, 23 III.Admin.Code §375.75(e), is consistent with this requirement. The rule also requires the transferring school or district to maintain any documentation of the student's transfer, including records indicating the school or school district to which the student transferred, in that student's temporary record.

Out-of-state transfer students, including children of military personnel, may use unofficial transcripts for admission to a school until official transcripts are obtained from the student's last school district. 105 ILCS 10/8.1 and 70/32. See also 7:50-AP, School Admissions and Student Transfers To and From Non-District Schools.

A board has two basic options for students transferring into the district who are serving a suspension or expulsion. Under option one, it may comply with the minimum requirements of 105 ILCS 5/2-3.13a by refusing to allow a student transferring from any public school to attend classes until the period of any suspension or expulsion has expired when the penalty was for: (1) knowingly possessing in a school building or on school grounds a weapon as defined in the Gun Free Schools Act; (2) knowingly possessing, selling, or delivering in a school building or on school grounds a controlled substance or cannabis; or (3) battering a staff member of the school. Under option two, a board may require a student who was suspended or expelled for *any* reason from any public or private school in this or any other state to complete the entire term of the suspension or expulsion before being admitted to the school district. The sample policy uses the second, more simple, more comprehensive alternative.

A board may adopt a policy providing that if a student is suspended or expelled for any reason from any school, anywhere, the student must complete the suspension's or expulsion's entire term in an alternative school program under Article 13A before being admitted into the school district if there is no threat to the safety of students or staff in the alternative program. 105 ILCS 5/2-3.13a and 5/10-22.6(g). If a board wants to provide for this alternative, it may add the following to either of the above options:

The Superintendent is authorized to allow a student who was suspended or expelled from any public or private school to be placed in an alternative school program established under Article 13A of the School Code for the remainder of the suspension or expulsion.

18 Generally, a citizen of a foreign country who wishes to enter the U.S. must first obtain either: (1) a nonimmigrant visa (for temporary stay for tourism, medical treatment, business, temporary work, or study), or (2) an immigrant visa for permanent residence. Common visas presented by foreign students are:

- 1. J-1 nonimmigrant visas for participants in educational and cultural exchange programs designated by the U.S. Dept. of State (DOS), Exchange Visitor Program, and Designation Staff. These students are enrolled provided they otherwise qualify for admission. For information about J-1 visas and the Exchange Visitor Program, see <u>j1visa.state.gov/programs</u>.
- 2. F-1 nonimmigrant student visa. F-1 visas are not issued for attendance at an elementary or middle school (K-8). Before obtaining an F-1 student visa, the individual must submit evidence that the school district has been reimbursed for the unsubsidized per capita cost of the education. These students are enrolled provided they otherwise qualify for admission. However, attendance at U.S. public high schools cannot exceed a total of 12 months.

The District accepts foreign exchange students with a J-1 visa and who reside within the District as participants in an exchange program sponsored by organizations screened by administration. Exchange students on a J-1 visa are not required to pay tuition. ¹⁹

Privately sponsored exchange students on an F-1 visa may be enrolled if an adult resident of the District has temporary guardianship, and the student lives in the home of that guardian. Exchange students on an F-1 visa are required to pay tuition at the established District rate.²⁰ F-1 visa student admission is limited to high schools, and attendance may not exceed 12 months.

The Board may limit the number of exchange students admitted in any given year. Exchange students must comply with District immunization requirements. Once admitted, exchange students become subject to all District policies and regulations governing students.

Re-enrollment²¹ [High School or Unit Districts only]

Re-enrollment shall be denied to any individual 19 years of age or above who has dropped out of school and who could not earn sufficient credits during the normal school year(s) to graduate before his or her 21st birthday. However, at the Superintendent's or designee's discretion and depending on program availability, the individual may be enrolled in a graduation incentives program established under 105 ILCS 5/26-16 or an alternative learning opportunities program established under 105 ILCS 5/13B-1 (see 6:110, *Programs for Students At Risk of Academic Failure and/or Dropping Out of*

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

3. B-2 visitor nonimmigrant visas. There is disagreement over whether these students must be enrolled tuition free. Their *visitor* visa is evidence of nonresident status. Call the district's attorney for guidance.

4. The qualified school-age child of an alien who holds another type of visa, i.e., A, E, H, I, L, etc., other than a visitor visa. These students are enrolled provided they otherwise qualify for admission. Likewise, dependents of foreign nationals on long-term visas are enrolled provided they otherwise qualify for admission.

5. No immigration documentation. <u>Plyler v. Doe.</u> A school cannot deny admission based upon immigration (illegal) status alone. Note that singling out foreign-looking students for visa requests is probably illegal discrimination. Thus, undocumented aliens are enrolled, provided they otherwise qualify for admission.

6. Immigrant visa. These students are enrolled provided they otherwise qualify for admission.

The Student and Exchange Visitor Information System (SEVIS) is an Internet-based system that provides tracking and monitoring, with access to accurate and current information on nonimmigrant students (F and M visas) and exchange visitors (J visa), and their dependents (F-2, M-2, and J-2). See §641, Illegal Immigration Reform and Immigrant Responsibility Act. Section 641 is an exception to the Family Educational Rights and Privacy Act. See 8 C.F.R. §214.1(h). SEVIS enables schools and program sponsors to transmit electronic information and event notifications, via the Internet, to the Dept. of Homeland Security (DHS) and the DOS throughout a student's or exchange visitor's stay. SEVIS will provide system alerts, event notifications, and reports to the end-user schools and programs, as well as for DHS and DOS offices.

According to federal regulations, students who apply for F-1, M-1, F-3, J-1, or M-3 visas must pay a fee to the DHS. The regulations describe when and how the fee is to be paid, who is exempt from the fee, and the consequences for failure to pay, 8 C.F.R. Parts 103, 214, and 299.

19 State law allows, but does not require, boards to waive nonresident tuition for these students. 105 ILCS 5/10-22.5a, amended by P.A. 102-126.

20 Exchange students on F-1 visas must pay the full-unsubsidized public education costs before entering the U.S. 8 U.S.C. §1101. Boards may not waive the fee.

21 105 ILCS 5/26-2(b). The requirements in this section are provided in State law, that is: (1) it is mandatory that a district deny re-enrollment as provided in this section; (2) it is permissive whether to enroll the individual in a district graduation incentives program or alternative learning opportunities program (although depending on circumstances, a student below the age of 20 may be entitled to enroll in a graduation incentives program); (3) it is mandatory to provide due process before denying re-enrollment; (4) it is mandatory to offer the individual who is denied re-enrollment counseling and to direct that person to alternative educational programs; and (5) it is mandatory that this section not apply to students eligible for special education.

105 ILCS 5/26-2(c) allows a district to deny enrollment to a student 17 years of age or older for one semester for failure to meet minimum academic or attendance standards if certain conditions are met. See sample policy 7:70, Attendance and Truancy.

School and Graduation Incentives Program). Before being denied re-enrollment, the District will offer the individual due process as required in cases of expulsion under policy 7:210, Expulsion Procedures. A person denied re-enrollment will be offered counseling and be directed to alternative educational programs, including adult education programs that lead to graduation or receipt of a GED diploma. This section does not apply to students eligible for special education under the Individuals with Disabilities Education Improvement Act or accommodation plans under the Rehabilitation Act, Section 504.

Attendance and Truancy 1

Compulsory School Attendance 2

This policy applies to individuals who have custody or control of a child: (a) between the ages of six (on or before September 1) and 17 years (unless the child has graduated from high school), or (b) who is enrolled in any of grades kindergarten through 12 in the public school regardless of age.

Subject to specific requirements in State law, the following children are not required to attend public school: (1) any child attending a private school (including a home school) or parochial school, (2) any child who is physically or mentally unable to attend school (including a pregnant student suffering medical complications as certified by her physician), (3) any child lawfully and necessarily employed, (4) any child over 12 and under 14 years of age while in confirmation classes, (5) any child absent because of religious reasons, including to observe a religious holiday, for religious instruction, or because his or her religion forbids secular activity on a particular day(s) or time of day, and (6) any child 16 years of age or older who is employed and is enrolled in a graduation incentives program.

The parent/guardian of a student who is enrolled must authorize all absences from school and notify the school in advance or at the time of the student's absence. A valid cause for absence includes illness (including mental or behavioral health of the student),³ observance of a religious holiday,

¹ State law requires boards to adopt a policy covering some of the topics herein and controls this policy's content. 105 ILCS 5/22-92, added by P.A. 102-157 and renumbered by P.A. 102-813; 23 III.Admin Code Part 207. Any school receiving public funds must develop and annually communicate to its students and their parents/guardians an absenteeism and truancy policy. <u>Id</u>. The III. Principals Association (IPA) maintains a handbook service that coordinates with **PRESS** material, *Online Model Student Handbook* (MSH), at: www.ilprincipals.org/msh/.

This policy must be updated every two years and filed with the III. State Board of Education (ISBE) and the regional superintendent of schools [or Intermediate Service Center Executive Director, whichever is appropriate]. 105 ILCS 5/22-92(b), added by P.A. 102-157 and renumbered by P.A. 102-813; 23 III.Admin.Code §207.30(a). 105 ILCS 5/3-0.01 states that any references to *regional superintendent* include the chief administrative officer of Intermediate Service Centers established under 105 ILCS 5/2-3.62. See the **Monitoring** subhead and f/n 21, below.

² 105 ILCS 5/26-2 addresses enrolled students below or over set compulsory attendance ages. The law also requires any persons having custody or control of a child who is enrolled in grades kindergarten through 12 in the public school to cause the child to attend school.

¹⁰⁵ ILCS 5/26-1, amended by P.A.s 102-406, 102-266, 102-321, and 102-981, eff. 1-1-23, contains the compulsory school age exemptions. Each listed exception is specifically included in the statute, except the reference to *home school*. See 7:40, *Nonpublic School Students, Including Parochial and Home-Schooled Students*, regarding assigning students who enroll from a non-public school. See 6:150, *Home and Hospital Instruction*, regarding providing instruction to a pregnant student or other student who is medically unable to attend school.

³ 105 ILCS 5/26-1 and 5/26-2a, amended by P.A.s. 102-266 and 102-321. A student may be absent for mental or behavioral health for up to five days without providing a medical note, and the student must be given an opportunity to make up any missed school work. *Medical note* is not defined, but the same portion of the statute discusses a student's inability to attend school due to a disability being certified by an Illinois licensed physician, chiropractic physician, advanced practice registered nurse, or physician assistant; presumably, any of these individuals could provide a *medical note*. After the second mental health day used, the student may be referred to the appropriate school support personnel. <u>Id</u>. See policy 7:250, *Student Support Services*.

death in the immediate family, attendance at a civic event, ⁴ family emergency, other situations beyond the control of the student as determined by the Board, voting pursuant to policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15), other circumstances that cause reasonable concern to the parent/guardian for the student's mental, emotional, or physical health or safety, or other reason as approved by the Superintendent or designee. ⁵ Students absent for a valid cause may make up missed homework and classwork assignments in a reasonable timeframe. ⁶

Absenteeism and Truancy Program

The Superintendent or designee shall manage an absenteeism and truancy program in accordance with the School Code and School Board policy. The program shall include but not be limited to:

- A protocol for excusing a student from attendance who is necessarily and lawfully employed. The Superintendent or designee is authorized to determine when the student's absence is justified.
- 2. A protocol for excusing a student in grades 6 through 12 from attendance to sound *Taps* at a military honors funeral held in Illinois for a deceased veteran. ⁸

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁴ 105 ILCS 5/26-1 and 5/26-2a, amended by P.A. 102-981, eff. 1-1-23. Subject to ISBE guidelines, a middle or high school student shall be permitted one school day-long excused absence per school year to engage in a *civic event*, defined as "an event sponsored by a non-profit organization or governmental entity that is open to the public. *Civic event* includes, but is not limited to, an artistic or cultural performance or educational gathering that supports the mission of the sponsoring non-profit organization. Schools may require students to provide an appropriate administrator with reasonable advance notice of the intended absence and documentation of participation.

⁵ 105 ILCS 5/22-92(a)(1), added by P.A. 102-157 and renumbered by P.A. 102-813, requires a policy with a definition of valid cause for absence in accordance with 105 ILCS 5/26-2a. These reasons are in 105 ILCS 5/26-2a except that (1) "other reason as approved by the Superintendent," and (2) absences for students to vote authorized by 10 ILCS 5/7-42 and 5/17-15, amended by P.A. 101-624, were added. An ISBE rule requires that the absenteeism and truancy policy define valid causes for absence. 23 III.Admin.Code §1.290.

For elementary districts, delete the following phrase from the second sentence of this paragraph: "voting pursuant to policy 7:90, *Release During School Hours* (10 ILCS 5/7-42 and 5/17-15)," and delete 7:90, *Release During School Hours*, from the Cross References.

For high school and unit districts that do not wish to include the **Voting** subhead in policy 7:90, *Release During School Hours*, amend the second sentence of this paragraph as follows: "-policy 7:90, Release During School Hours (the Election Code, 10 ILCS 5/7-42 and 5/17-15,}" and delete 7:90, *Release During School Hours* from the Cross References.

⁶ See f/n 3. In addition, 105 ILCS 5/10-20.78, added by P.A. 102-471 and renumbered by P.A. 102-813, requires a written policy related to absences and missed homework or classwork assignments as a result of or related to a student's pregnancy. It makes sense to apply such a policy to all students who are absent for a valid cause.

⁷ Any child "necessarily and lawfully employed" may be exempted from attendance by the superintendent "on certification of the facts by and the recommendation of the school board." 105 ILCS 5/26-1. The policy's language serves to delegate this "certification of the facts" to the superintendent or designee. The following option allows a board to consider and include specific criteria in the policy:

A student may be excused, at the Superintendent's discretion, when: (1) the student has a last period study hall, (2) the parent/guardian provides written permission, (3) the student's employer provides written verification of employment, (4) the student provides evidence of a valid work permit, or (5) other reason deemed justifiable by the Superintendent.

Child Labor laws include: 29 C.F.R. Part 570 (minimum age standards, occupations, conditions, etc.); 820 ILCS 205/, amended by P.A. 102-32 (child labor law); 56 III.Admin.Code Part 250 (child labor regulations). To streamline the employment certificate process for minors, the III. Dept. of Labor (IDOL) has a paperless certification system for districts to provide IDOL with the name and contact information of the superintendent or designee as the *issuing officer*. The *issuing officer* will then be granted access to electronically complete and submit either the IDOL's *Employment Certificate Form* or *Temporary Employment Certificate Form*, at: www2.illinois.gov/idol/Laws-Rules/FLS/Pages/Employment-Certificates-Minors.aspx.

- 3. A protocol for excusing a student from attendance on a particular day(s) or at a particular time of day when his/her parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. ⁹
- 4. A process to telephone, within two hours after the first class, the parents/guardians of students in grade 8 or below who are absent without prior parent/guardian notification. ¹⁰
- 5. A process to identify and track students who are truants, chronic or habitual truants, or truant minors as defined in 105 ILCS 5/26-2a.
- 6. A description of diagnostic procedures for identifying the cause(s) of a student's unexcused absenteeism, including interviews with the student, his or her parent(s)/guardian(s), and staff members or other people who may have information about the reasons for the student's attendance problem. ¹¹
- 7. The identification of supportive services that may be offered to truant, chronically truant, or chronically absent students, including parent-teacher conferences, student and/or family counseling, or information about community agency services. See Board policy 6:110, Programs for Students At Risk of Academic Failure and/or Dropping Out of School and Graduation Incentives Program.
- 8. A process for the collection and review of chronic absence data and to:
 - a. Determine what systems of support and resources are needed to engage chronically absent students and their families, and

⁸ 105 ILCS 5/26-1. A student must notify the building principal or other administrator at least two days prior to the absence providing the date, time, and location of the military honors funeral. This requirement may be waived if the student did not receive notice at least two days in advance, but the student shall notify the administration as soon as possible of the absence.

A student whose absence is excused to sound *Taps* shall be counted in attendance for purposes of calculating the average daily attendance of students in the district. The district must allow the student reasonable time to make up school work and if school work is satisfactorily completed, the day of absence is counted as an attendance day for the student.

⁹ 105 ILCS 5/26-1. Such a student must be granted five days of excused absences in any school year and, at the board's discretion, may be granted additional excused absences to visit the student's parent/guardian. The student and his/her parent/guardian are responsible for obtaining assignments from the student's teacher prior to any period of excused absence and for ensuring that such assignments are completed by the student prior to his/her return to school from the excused absence period. <u>Id</u>.

- b. Encourage the habit of daily attendance and promote success. 13
- 9. Reasonable efforts to provide ongoing professional development to teachers, administrators, Board members, school resource officers, and staff on the appropriate and available supportive services for the promotion of student attendance and engagement. ¹⁴
- 10. A process to request the assistance and resources of outside agencies, such as, the juvenile officer of the local police department or the truant office of the appropriate Regional Office of Education, if truancy continues after supportive services have been offered. 15
- 11. A protocol for cooperating with non-District agencies including County or municipal authorities, the Regional Superintendent, truant officers, the Community Truancy Review Board, and a comprehensive community based youth service agency. Any disclosure of school student records must be consistent with Board policy 7:340, *Student Records*, as well as State and federal law concerning school student records. ¹⁶
- 12. An acknowledgement that no punitive action, including out-of-school suspensions, expulsions, or court action, shall be taken against a truant minor for his or her truancy unless available supportive services and other school resources have been provided to the student. 17

^{13 105} ILCS 5/22-92(a)(4), added by P.A. 102-157 and renumbered by P.A. 102-813, requires the incorporation of provisions relating to chronic absenteeism in accordance with 105 ILCS 5/26-18. 105 ILCS 5/26-18 requires districts to collect and review chronic absence data and determine what systems of support and resources are needed to engage chronically absent students and their families to encourage the habit of daily attendance and promote success. 105 ILCS 5/26-18(c). The review must include an analysis of chronic absence data from each attendance center. Id. Districts are also encouraged to: (1) provide a system of support to students at risk of reaching or exceeding chronic absence levels, i.e., those available through the Illinois Multi-tiered Systems of Support Network; and (2) make resources available to families, i.e., those available through ISBE's Family Engagement Framework, to support and engage students and their families. 105 ILCS 5/26-18(d). *Chronic absence* means "absences that total 10% or more of school days of the most recent school year, including absences with and without valid cause, as defined in Section 26-2a of this Code, and out-of-school suspensions for an enrolled student." 105 ILCS 5/26-18(a). In contrast, a *chronic or habitual truant* is "a child who is subject to compulsory school attendance and who is absent without valid cause from such attendance for 5% or more of the previous 180 regular attendance days." 105 ILCS 5/26-2a.

^{14 105} ILCS 5/10-22.6(c-5).

¹⁵ Use this alternative for districts in suburban Cook County: replace "Regional Office of Education" with "appropriate Intermediate Service Center."

^{16 105} ILCS 5/26-9 requires school officers and superintendents to assist truant officers. A minor who is reported by the regional superintendent as a chronic truant may be adjudicated a "truant minor in need of supervision" if the minor declines or refuses to fully participate in truancy intervention services. 705 ILCS 405/3-33.5, amended by P.A. 102-456.

Counties may regulate truants by ordinance and impose fines and/or community services on truants or, if the truant is under 10 years of age, on the parent or custodian. 55 ILCS 5/5-1078.2. Municipalities may regulate truants by ordinance and impose fines and/or community services on truants or, if the truant is under 13 years of age, on the parent or custodian. 65 ILCS 5/11-5-9. Local officials or authorities that enforce, prosecute, or adjudicate municipal ordinances adopted under 65 ILCS 5/11-5-9, or that work with school districts to address truancy problems, are designated as: (a) part of the juvenile justice system, established by the Juvenile Court Act of 1987, and (b) *juvenile authorities* within the definition set forth in subsection (a)(6.5) of Section 10-6 of the III. School Student Records Act. 105 ILCS 10/6(a)(6.5). <u>Id</u>. A superintendent should consult with the board attorney before disclosing school student records to non-district entities. See 7:340-AP1, *School Student Records*, for a sample procedure for release of such records to juvenile authorities.

^{17 105} ILCS 5/26-12 prohibits punitive action "unless available supportive services and other school resources have been provided to the student." In addition, "a truant minor may not be expelled for nonattendance unless he or she has accrued 15 consecutive days of absences without valid cause and the student cannot be located by the school district or the school district has located the student but cannot, after exhausting all available supportive services, compel the student to return to school." Id.

13. The criteria to determine whether a student's non-attendance is due to extraordinary circumstances shall include economic or medical necessity or family hardship and such other criteria that the Superintendent believes qualifies. ¹⁸

[For high school and unit districts only]

- 14. A process for a 17-year-old resident to participate in the District's various programs and resources for truants. ¹⁹ The student must provide documentation of his/her dropout status for the previous six months. A request from an individual 19 years of age or older to re-enroll after having dropped out of school is handled according to provisions in 7:50, *School Admissions and Student Transfers To and From Non-District Schools*.
- 15. A process for the temporary exclusion of a student 17 years of age or older for failing to meet minimum attendance standards according to provisions in State law. A parent/guardian has the right to appeal a decision to exclude a student. ²⁰

Monitoring 21

Pursuant to State law and policy 2:240, *Board Policy Development*, the Board updates this policy at least once every two years. The Superintendent or designee shall assist the Board with its update.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

^{18 105} ILCS 5/26-3a requires the district to "establish, in writing, a set of criteria for use by the local superintendent of schools in determining whether a pupil's failure to attend school is the result of extraordinary circumstances, including but not limited to economic or medical necessity or family hardship."

This statute also requires the "clerk or secretary" of the board to quarterly report to the regional superintendent and Secretary of State the identity of students who were removed from the regular attendance roll, exclusive of transferees, because they were expelled; have withdrawn; left school; withdrew due to extraordinary circumstances; have re-enrolled in school since their names were removed from the attendance rolls; were certified to be chronic or habitual truants; or were previously certified as chronic or habitual truants who have resumed regular school attendance. The statute provides that the status of a driver's license or instructional permit will be jeopardized for a student who is the subject of this notification because of non-attendance unless the non-attendance is due to extraordinary circumstances as determined by the local district. State Superintendent Koch announced in his *Weekly Message*, 8-28-07, see **Funding & Disbursements** subhead, p.2, at: www.isbe.net/Documents Superintendent Weekly Message/message 082807.pdf, that ISBE is delaying implementing this statute based upon legal guidance from the U.S. Dept. of Education's Family Policy Compliance Office that its implementation would violate the federal Family Educational Rights and Privacy Act.

The policy must contain all requirements of 105 ILCS 5/22-92, indicate the date of adoption (by month, day, and year) and any revision dates, and be filed electronically by September 30 each review year through ISBE's Web Application Security (IWAS) system. 23 III.Admin.Code §§207.20(a), 207.30(a). If, after review and re-evaluation of the policy, the district determines that no updates are necessary, either a copy of board minutes clearly indicating the policy was re-evaluated and no changes were deemed necessary or a signed statement from the board president indicating the policy was re-evaluated and no changes were deemed necessary must be submitted to IWAS. 23 III.Admin.Code §207.30(a)(3). ISBE has stated that for districts that update the adoption date listed on a policy whenever the policy is updated, the date of adoption is sufficient to also indicate the revision date. Option 1: If proof of the developmental screening or the social and emotional screening portions of the health examination are not presented by October 15 of the current school year, qualified school support personnel may, with a parent/guardian's consent, offer the screenings to the child.

Option 2: Once a student presents proof that he or she received a developmental screening or a social and emotional screening, the school may, with a parent/guardian's consent, make available appropriate school personnel to work with the parent/guardian, child, and provider who signed the screening form to obtain any appropriate evaluations and services.

Option 3: (The use of both Option 1 and 2.)

Once a student presents proof that he or she received a developmental screening or a social and emotional screening, the school may, with a parent/guardian's consent, make available appropriate school personnel to work with the parent/guardian, child, and provider who signed the screening form to obtain any appropriate evaluations and services.

Note: Even if the district does not offer the above optional services, consult the board attorney about whether the presence of developmental or social and emotional screening information on the Child Health Examination form triggers child find obligations under the Individuals with Disabilities Education Act and/or Section 504 of the Rehabilitation Act of 1973.

A student transferring from out-of-state who does not have the required proof of immunizations by October 15 may attend classes only if he or she has proof that an appointment for the required vaccinations is scheduled with a party authorized to submit proof of the required vaccinations. ¹⁶ If the required proof of vaccination is not submitted within 30 days after the student is permitted to attend classes, the student may no longer attend classes until proof of the vaccinations is properly submitted. ¹⁷

Eye Examination 18

Parents/guardians are encouraged to have their children undergo an eye examination whenever health examinations are required. ¹⁹

Parents/guardians of students entering kindergarten or an Illinois school for the first time shall present proof before October 15 of the current school year that the student received an eye examination within one year prior to entry of kindergarten or the school. A physician licensed to practice medicine in all of its branches, or a licensed optometrist, must perform the required eye examination.

If a student fails to present proof by October 15, the school may hold the student's report card until the student presents proof: (1) of a completed eye examination, or (2) that an eye examination will take place within 60 days after October 15. The Superintendent or designee shall ensure that parents/guardians are notified of this eye examination requirement in compliance with the rules of the

Note: 77 III.Admin.Code §665.240(n) states "It is not the intent of this Part that any child whose parents comply with the intent of this Part, the Act or the School Code should be excluded from a child care facility or school. A child or student shall be considered in compliance with the law if there is evidence of the intent to comply. Evidence may be: 1) a signed statement from a health care provider that he or she has begun, or will begin, the necessary immunization procedures; or 2) the parent's or legal guardian's written consent for the child's participation in a school or other community immunization program." Consult with the board attorney about the impact this regulation may have on the district's ability to and procedures for excluding students for non-compliance with this policy.

Vision screening is not a substitute for a complete eye and vision evaluation by an eye doctor. Your child is not required to undergo this vision screening if an optometrist or ophthalmologist has completed and signed a report form indicating that an examination has been administered within the previous 12 months.

Dental Examination 20

All children in kindergarten and the second, sixth, and ninth grades must present proof of having been examined by a licensed dentist before May 15 of the current school year in accordance with rules adopted by the IDPH.

If a child in the second, sixth, or ninth grade fails to present proof by May 15, the school may hold the child's report card until the child presents proof: (1) of a completed dental examination, or (2) that a dental examination will take place within 60 days after May 15. The Superintendent or designee shall ensure that parents/guardians are notified of this dental examination requirement at least 60 days before May 15 of each school year.

Exemptions 21

In accordance with rules adopted by the IDPH, a student will be exempted from this policy's requirements for:

- 1. Religious grounds, if the student's parents/guardians present the IDPH's Certificate of Religious Exemption form to the Superintendent or designee. When a Certificate of Religious Exemption form is presented, the Superintendent or designee shall immediately inform the parents/guardians of exclusion procedures pursuant to Board policy 7:280, *Communicable and Chronic Infectious Disease*, and State rules if there is an outbreak of one or more diseases from which the student is not protected. ²²
- 2. Health examination or immunization requirements on medical grounds, if the examining physician, advanced practice registered nurse, or physician assistant provides written verification.
- 3. Eye examination requirement, if the student's parents/guardians show an undue burden or lack of access to a physician licensed to practice medicine in all of its branches who provides eye examinations or a licensed optometrist.
- 4. Dental examination requirement, if the student's parents/guardians show an undue burden or a lack of access to a dentist.

Students

Prevention of and Response to Bullying, Intimidation, and Harassment 1

Bullying, intimidation, and harassment diminish a student's ability to learn and a school's ability to educate. Preventing students from engaging in these disruptive behaviors and providing all students equal access to a safe, non-hostile learning environment are important District goals.

Bullying on the basis of actual or perceived race, color, national origin, military status, unfavorable discharge status from the military service, sex, sexual orientation, gender identity, gender-related identity or expression, ancestry, age, religion, physical or mental disability, order of protection status, status of being homeless, or actual or potential marital or parental status, including pregnancy, association with a person or group with one or more of the aforementioned actual or perceived characteristics, or any other distinguishing characteristic **is prohibited** in each of the following situations: ²

- 1. During any school-sponsored education program or activity.
- 2. While in school, on school property, on school buses or other school vehicles, at designated school bus stops waiting for the school bus, or at school-sponsored or school-sanctioned events or activities.
- 3. Through the transmission of information from a school computer, a school computer network, or other similar electronic school equipment.
- 4. Through the transmission of information from a computer that is accessed at a nonschool-related location, activity, function, or program or from the use of technology or an electronic device that is not owned, leased, or used by the School District or school if the bullying causes a substantial disruption to the educational process or orderly operation of a school.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

All districts must have a policy on bullying, monitor it, review and re-evaluate it, and file it with the III. State Board of Education (ISBE) every two years, no later than September 30 of the review year. 105 ILCS 5/27-23.7, amended by P.A. 102-894; 23 III.Admin.Code §1.295. The policy must contain all requirements of 105 ILCS 5/27-23.7, indicate the date of adoption (by month, day, and year), and be filed electronically each review year through ISBE's IWAS system. 23 III.Admin.Code §1.295(b), (c). If a district fails to file its policy by the deadline or submits a deficient policy, ISBE will provide a written request for filing and provide the district with technical assistance and resources to assist it in meeting bullying policy requirements and, as appropriate, notify the district's regional office of education or intermediate service center. 105 ILCS 5/27-23.7(d), amended by P.A. 102-894; 23 III.Admin.Code §1.295(e). If the district still fails to file its policy within 14 days of receipt of ISBE's written request, ISBE shall issue a letter of non-compliance (23 III.Admin.Code §1.295(e)(3)) and publish notice of non-compliance on its website (105 ILCS 5/27-23.7(d)).

This sample policy's first paragraph allows a school board to consider its goals for preventing bullying and remedying its consequences; it may be amended.

In addition to a bullying prevention policy, all districts must have a policy on student behavior. 105 ILCS 5/10-20.14; 23 III.Admin.Code §1.280. Boards must, in consultation with their parent-teacher advisory committees and other community-based organizations, address aggressive behavior, including bullying, in their student behavior policy. See sample policy 7:190, Student Behavior, 7:190-E1, Aggressive Behavior Reporting Letter and Form.

This policy contains an item on which collective bargaining may be required. Any policy that impacts upon wages, hours, and terms and conditions of employment is subject to collective bargaining upon request by the employee representative, even if the policy involves an inherent managerial right. See f/n 9, below.

² This paragraph and its subparts 1-4 are from the bullying prevention statute. 105 ILCS 5/27-23.7(a); see also 775 ILCS 5/1-103 and 23 III.Admin.Code §1.240. The protected statuses are mandated by the bullying prevention statute; the list of protected statuses is identical to the list in sample policy 7:20, *Harassment of Students Prohibited*.

This paragraph (item #4) applies only when a school administrator or teacher receives a report that bullying through this means has occurred; it does not require staff members to monitor any nonschool-related activity, function, or program.

Definitions from 105 ILCS 5/27-23.7 3

Bullying includes *cyberbullying* and means any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- 1. Placing the student or students in reasonable fear of harm to the student's or students' person or property;
- 2. Causing a substantially detrimental effect on the student's or students' physical or mental health:
- 3. Substantially interfering with the student's or students' academic performance; or
- 4. Substantially interfering with the student's or students' ability to participate in or benefit from the services, activities, or privileges provided by a school.

Bullying may take various forms, including without limitation one or more of the following: harassment, threats, intimidation, stalking, physical violence, sexual harassment, sexual violence, theft, public humiliation, destruction of property, or retaliation for asserting or alleging an act of bullying. This list is meant to be illustrative and non-exhaustive.

Cyberbullying means bullying through the use of technology or any electronic communication, including without limitation any transfer of signs, signals, writing, images, sounds, data, or intelligence of any nature transmitted in whole or in part by a wire, radio, electromagnetic system, photo-electronic system, or photo-optical system, including without limitation electronic mail, Internet communications, instant messages, or facsimile communications. Cyberbullying includes the creation of a webpage or weblog in which the creator assumes the identity of another person or the knowing impersonation of another person as the author of posted content or messages if the creation or impersonation creates any of the effects enumerated in the definition of bullying. Cyberbullying also includes the distribution by electronic means of a communication to more than one person or the posting of material on an electronic medium that may be accessed by one or more persons if the distribution or posting creates any of the effects enumerated in the definition of bullying.

Restorative measures means a continuum of school-based alternatives to exclusionary discipline, such as suspensions and expulsions, that: (i) are adapted to the particular needs of the school and community, (ii) contribute to maintaining school safety, (iii) protect the integrity of a positive and productive learning climate, (iv) teach students the personal and interpersonal skills they will need to be successful in school and society, (v) serve to build and restore relationships among students, families, schools, and communities, (vi) reduce the likelihood of future disruption by balancing accountability with an understanding of students' behavioral health needs in order to keep students in school, and (vii) increase student accountability if the incident of bullying is based on religion, race, ethnicity, or any other category that is identified in the III. Human Rights Act. ⁴

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

³ All definitions are directly from 105 ILCS 5/27-23.7. See also resources from Cyberbullying Research Center, available at: www.cyberbullying.org/, and the U.S. School Safety Clearinghouse website at: www.SchoolSafety.gov, discussed in f/n 1, para. 3 of sample policy 4:170, Safety.

⁴ 105 ILCS 5/27-23.7(b), amended by P.A. 102-241.

School personnel means persons employed by, on contract with, or who volunteer in a school district, including without limitation school and school district administrators, teachers, school social workers, school counselors, school psychologists, school nurses, cafeteria workers, custodians, bus drivers, school resource officers, and security guards. ⁵

Bullying Prevention and Response Plan

The Superintendent or designee shall develop and maintain a bullying prevention and response plan that advances the District's goal of providing all students with a safe learning environment free of bullying and harassment. This plan must be consistent with the requirements listed below; each numbered requirement, 1-12, corresponds with the same number in the list of required policy components in 105 ILCS 5/27-23.7(b) 1-12. ⁶

- 1. The District uses the definition of *bullying* as provided in this policy. ⁷
- 2. Bullying is contrary to State law and the policy of this District. However, nothing in the District's bullying prevention and response plan is intended to infringe upon any right to exercise free expression or the free exercise of religion or religiously based views protected under the First Amendment to the U.S. Constitution or under Section 3 of Article I of the Illinois Constitution.
- 3. Students are encouraged to immediately report bullying. A report may be made orally or in writing to the Nondiscrimination Coordinator, Building Principal, Assistant Building Principal, Dean of Students, a Complaint Manager, or any staff member with whom the student is comfortable speaking. Anyone, including staff members and parents/guardians, who has information about actual or threatened bullying is encouraged to report it to the District named officials or any staff member. The District named officials and all staff members are available for help with a bully or to make a report about bullying. Anonymous reports are also accepted; however, this shall not be construed to permit formal disciplinary action solely on the basis of an anonymous report.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

⁶ As each numbered requirement, 1-12, corresponds with the same number in 5/27-23.7(b)1-12, there are no reference citations in footnotes. All non-statutory requirements, plus alternatives and optional provisions, are described in footnotes.

A board may augment the School Code requirement by using this alternative:

Using the definition of *bullying* as provided in this policy, the Superintendent or designee shall emphasize to the school community that: (a) the District prohibits bullying, and (b) all students should conduct themselves with a proper regard for the rights and welfare of other students. This may include a process for commending or acknowledging students for demonstrating appropriate behavior.

⁸ The statute requires that the policy contain the email address and telephone number for the staff person(s) responsible for receiving bullying reports. Using the district Nondiscrimination Coordinator and Complaint Managers is consistent with sample policy 2:260, *Uniform Grievance Procedure*. While the names and contact information are required by law to be listed, they are not part of the adopted policy and do not require board action. This allows for additions and amendments to the names and contact information when necessary. It is important for updated names and contact information to be inserted into this policy and regularly monitored. A telephone number for making anonymous reports may also be added.

⁹ 105 ILCS 5/27-23.7(d), requires that "[s]chool personnel available for help with a bully or to make a report about bullying" be made known to parents/guardians, students, and school personnel.

The footnotes are not intended to be part of the adopted policy; they should be removed before the policy is adopted.

¹⁰ Sample policy 2:260, *Uniform Grievance Procedure*, states that a district's Nondiscrimination Coordinator also serves as its Title IX Coordinator. If the district uses a separate Title IX Coordinator who does not also serve as the Nondiscrimination Coordinator, list the Title IX and Nondiscrimination Coordinators' names separately in this policy. Best practice is that throughout the district's board policy manual, the same individual be named as Nondiscrimination Coordinator. In contrast, Complaint Managers identified in individual policies may vary depending upon local district needs.

^{11 105} ILCS 5/10-20.14 contains a similar requirement. See 7:190-E1, Aggressive Behavior Reporting Letter and Form.
