

Ardmore Goal: Student Learning - ELA 2025-26						
Overarching District Goal	Enhance instructional practices and learning experiences to ensure academic growth and achievement for all students in English language arts.					
Ardmore Goals	District Goal: All schools will achieve their ECRA <b>growth</b> goal/target(s) in ELA. <b>Ardmore Goal: 82% of K-5 students will meet or exceed ECRA growth targets as measured by ECRA Spring Summary Report</b>					
	District Goal: All schools will meet their ECRA <b>proficiency</b> goal/target(s) in ELA. <b>Ardmore Goal: 64% of 3rd-5th grade students will perform in the Proficient or Above Proficient categories on the Spring 2026 IAR assessment</b>					
	District Goal: All schools will meet XXXX goal/target(s) in ELA.					
	<b>Ardmore Goal: 75% of students will be Proficient on IRLA on the last day of the 2025-26 school year.</b>					
Tasks/Action	Timeline	Target Group	Person(s) Responsible	Performance Indicator/ Evidence	Progress Updates	
					Description	Date
Implement MTSS Steering Committee action steps as they are established throughout the year	Ongoing		IC & Building Admin	As identified by the Steering Committee		
Provide targeted support via PLC Personalized Plans & All Staff PD for the implementation of the 4 Part Mini Lesson Structure using the Writing Revolution & Comprehension Playbook.	All scheduled staff meetings	All certified staff	IC & ALT	SLT Feedback Cycles		
Analyze ECRA results at each Benchmarking to monitor SIP Goal progress and inform PDSA development at the PLC level	September January May	All certified staff	Building Admin	SLT Feedback Cycles		
Monthly kindergarten skill based benchmarking & data tracking	Monthly	Kinder Teachers/Students	IC & Kinder PLC	Kinder Benchmarking Tracking Doc		
IAR standards performance analysis in fall with all grades	9/2	All certified staff	Building Admin	PDSA Standards Instructional Planning Docs		
PLC establish data calendars to support analysis of MAP, & IRLA scores after each assessment window	9/2	All certified staff	SLT Reps	Data Calendar/PLC Agenda		
Establish PDSA Standards Instructional Planning Doc based on IAR performance on specific priority standards (YWC meets Priority Standards meets PDSA)	Ongoing - initiated on 9/2	All certified staff	SLT Reps	PLC PDSA Standards Instructional Planning Doc		
Establish student groups in ECRA for students receiving specialized support & AA to monitor growth	End of September	Red Team & Students receiving specialized support	Psych & AA Teacher & ALT	ECRA Dashboard		

Ardmore Goal: Student Learning - Math 2025-26						
Overarching Goal	Enhance instructional practices and learning experiences to ensure academic growth and achievement for all students in mathematics.					
Ardmore Goal	District Goal: All schools will achieve their ECRA <b>growth</b> goal/target(s) in math. <b>Ardmore Goal: 83% of K-5 students will meet or exceed ECRA growth targets as measured by ECRA Spring Summary Report</b>					
	District Goal: All schools will meet their ECRA <b>proficiency</b> goal/target(s) in math. <b>Ardmore Goal: 64% of 3rd-5th grade students will perform in the Proficient or Above Proficient categories on the Spring 2026 IAR assessment</b>					
	District Goal: All schools will meet XXXX goal/target(s) in math. <b>Ardmore Goal: The average performance by K-5 students on Eureka assessments will be _____% or higher at the close of the 2025-26 school year.</b>

Ardmore Goal: Student Learning - Math 2025-26						
Overarching Goal	Enhance instructional practices and learning experiences to ensure academic growth and achievement for all students in mathematics.					
Ardmore Goal	District Goal: All schools will achieve their ECRA <b>growth</b> goal/target(s) in math. <b>Ardmore Goal: 83% of K-5 students will meet or exceed ECRA growth targets as measured by ECRA Spring Summary Report</b>					
	District Goal: All schools will meet their ECRA <b>proficiency</b> goal/target(s) in math. <b>Ardmore Goal: 64% of 3rd-5th grade students will perform in the Proficient or Above Proficient categories on the Spring 2026 IAR assessment</b>					
	District Goal: All schools will meet XXXX goal/target(s) in math.					
	<b>Ardmore Goal: The average performance by K-5 students on Eureka assessments will be _____% or higher at the close of the 2025-26 school year.</b>					
Tasks/Action	Timeline	Target Group	Person(s) Responsible	Performance Indicator/ Evidence	Progress Updates	
					Description	Date

District Goal: Health/Well-being 2025-26						
Overarching Goal	Foster a culture of health and well-being across the district by promoting wellness for all students, staff, and families.					
SMART Indicators	District Goals: All schools will achieve their student attendance goal. <b>Ardmore Goal: School will have an average attendance rate of 94% or higher for the 2025-26 school year.</b>					
	Implementation of Identified Thrively components. (process indicator)					
Tasks/Action	Timeline	Target Group	Person(s) Responsible	Performance Indicator/ Evidence	Progress Updates	
					Description	Date
Collect baseline staff and student Thrively data including hope index and well-being index.	October January March May	All staff & students	All staff	Thrively Results		
Implement individualized intervention plan for chronically absent students	Monthly	Chronically absent students	Building Admin	Attendance data for identified students		
Host Thrively results walk through with staff to create pathways to use the information in a meaningful way to support students	Initiated by 10/15	All certified staff	Building Admin & ALT	SLT Feedback Cycles		
Implement MTSS Steering Committee action steps as they are established throughout the year	Ongoing		IC & Building Admin	As identified by the Steering Committee		
Engage in cycles of data practices at the building and PLC level that inform our response to student SEL needs through universal (Ruler & Responsive Classroom) Targeted, and Specialized supports	Bi-Monthly MTSS Committee Meetings	All staff & students	MTSS Committee	Data results & programming changes		

District Goal: Family and Community Engagement 2025-26						
Overarching Goal	Sustain and establish meaningful relationships with families and the community to promote collaboration, open communication, and a shared sense of belonging for all.					
	District Goal: All schools will achieve family and community engagement goal. (TBD) <b>Ardmore Goal: 87% of parents will participate in Conferences (focus is on the "right kind" of engagement - specific to academic progress)</b> Implementation of identified ParentSquare components. (process indicator)					
Tasks/Action	Timeline	Target Group	Person(s) Responsible	Performance Indicator/ Evidence	Progress Updates	
					Description	Date
Collect baseline engagement data via ParentSquare.	Ongoing	All parents	Building Admin	Parent engagement levels		
Secure data regarding parent attendance at Conferences to monitor goal progress	December 1	All parents	All certified staff	87% or higher attendance		
Establish individualized confirmation of parent review of report cards at each quarter	End of Q1 End of Q2 End of Q3	All parents & students	All certified staff	90% or more of parents confirming review of report cards		
Volunteer teachers on the Multicultural Committee to engage families from diverse backgrounds in educational programming in the building	By Spring	Families from diverse backgrounds	Multicultural Committee	Programming results		

**Vision of North: At North School, every student will build the strength to be resilient, the heart to be responsible, the mind of a critical thinker, and the spirit of a positive mindset – ready to take on the day with confidence!**  
**Goal: North School obtains exemplary status on the Illinois School Report Card by performing in the top ten percent of schools in the state with no underperforming population groups.**  
**All North School students, regardless of their background or ability, will demonstrate high levels of growth to close achievement gaps among student population groups.**

Collective Commitments	Goal or Associated SMART Goal	Action Plan		
		Overview	Nitty Gritty	Updates
1. We believe in student growth that acknowledges their background, ability, or location.	<p><b>ELA</b> Overarching Goal: Enhance instructional practices and learning experiences to ensure academic growth and achievement for all students in English language arts.</p> <p><b>SMART Goals:</b> By Spring of 2026, we will reduce the percentage of students who fall in the "low growth" category from 9% to 4% according to ECRA's "Spring School Growth Summary" report.</p> <p>By Spring of 2026, we will increase the percentage of students who met the attainment benchmark for reading from 32% to 37% according to ECRA's "Spring IAR School Growth Summary" report.</p> <p><b>Math</b> Overarching Goal: Enhance instructional practices and learning experiences to ensure academic growth and achievement for all students in mathematics.</p> <p><b>SMART Goals:</b> By Spring of 2026, we will reduce the percentage of students who fall in the "low growth" category from 13% to 8% according to ECRA's "Spring School Growth Summary" report.</p> <p>By Spring of 2026, we will increase the percentage of students who met the attainment benchmark from 32% to 37% according to ECRA's "Spring School Growth Summary" report.</p>	<p><b>Commit to the PLC process.</b></p> <p><b>Develop tutoring programs that utilize staff as well as community resources.</b></p> <p><b>Implement a Tier 2/Tier 3 plan that will support student learning. (Equitable Conferencing and WIN time).</b></p>	<p><b>Commitment to the PLC process.</b>  <b>General PLC Commitments (4 PLC Questions)</b>            - Complete PLC self-assessments 2 times a year (hardware, software, and accountability)            - PLCs and SLT will participate in the beginning of year data review - <b>ECRA</b>, MAP, IRLA/ENIL, IAR            - Quarterly PLC reflections at SLT            - SLT will discuss the work of the PLCs, examine Math and ELA data, and discuss plans for responding to student data            - Benchmark review of <b>ECRA</b>/MAP</p> <p><b>Math Specific</b>            - PLCs will prepare to teach each Eureka Module by engaging in the Examining Assessments Protocol for the Mid- and End-of-Module assessment.            - PLCs will monitor student progress within Eureka by analyzing student work samples, pre-assessments, exit tickets, topic quizzes.            - PLCs will use the ATLAS protocol to analyze student data from mid- and end-of-module assessments. Based on these data reviews, PLCs will create plans for responding to instruction during WIN time. These will be shared at SLT.            - Refined Digital Math Tools            - PLCs will identify a subgroup to track growth (PDSA)</p> <p><b>ELA Specific</b>            - PLCs will prepare to teach each ARC Unit (road maps, assessments, priority standards, etc...)            - PLCs will balance their time engaging with the components of the ARC PLC Plan. Specifically, the components: "IRLA/ENIL Reading Growth" and "Lesson Planning for Next Week"            - Review Pre-, Mid-, Post- assessment data for each unit as a PLC.            - PLCs will engage in a ARC Deep Data Dive and Growth Quadrant 3 times a year.            - The QLC team will provide level accuracy checks once a month.            - The Writing Revolution 2.0 (professional learning for writing e.g. coaching cycles)            - Comprehension Play Book (professional learning for reading e.g. coaching cycles)            - PLCs will identify a subgroup to track growth in SchoolPace (PDSA)</p> <p><b>Tutoring Program</b>            -In partnership with our community partner, Park View, we will provide... reading support during the ELA block            **After establishing ENIL/IRLA levels and completing Fall MAP benchmarking</p> <p><b>MTSS (Targeted and Intensive Intervention)</b>            -Provide collaboration time with EL, SPED Resource, and the Learning Specialist. If needed, we will carve out time for collaboration around Extended Resource and AA            -Utilize the building schedule to preserve the Core/Universal instruction and allow for opportunities for students to access -targeted (Tier 2) instruction within the classroom            -Utilize Equip to accelerate growth and target instruction during WIN time. Based on these data reviews, PLCs will create plans for responding to instruction. These will be shared with SLTs.            -Interventions will be provided by the learning specialist as well as a paraprofessional (beginning September) in both reading and math (Focused Math).            -Teachers will create an equitable conferencing schedule to target striving readers and accelerate growth.            -Allocate time for discussion and professional learning around MTSS in both ELA and Math</p>	

Vision of North: At North School, every student will build the strength to be resilient, the heart to be responsible, the mind of a critical thinker, and the spirit of a positive mindset – ready to take on the day with confidence!  
 Goal: North School obtains exemplary status on the Illinois School Report Card by performing in the top ten percent of schools in the state with no underperforming population groups.  
 All North School students, regardless of their background or ability, will demonstrate high levels of growth to close achievement gaps among student population groups.

					 <b>Family and Community Engagement</b> Goal Statement: Sustain and establish meaningful relationships with families and the community to promote collaboration, open communication, and a shared sense of belonging for all.  Communication Practices and Tools: Ensuring consistent, accessible, and timely communication between the district, families, and the broader community.  School/District Events: Fostering a sense of belonging and shared pride in District 45 by hosting inclusive events that unite families, students, and community members, and celebrating our cultural diversity.  Community Partnerships: Building and sustaining relationships with local businesses, organizations, and community members to establish partnerships that support district initiatives and enhance learning experiences.  Parent/Guardian Groups: Strengthening connections with families by fostering open communication, offering resources, and creating opportunities for active participation in the educational journey of their children.  Advocacy and Outreach: Advocating for equitable access to resources, information, and opportunities, ensuring that all voices are heard and supported.

---

#### Overall Student Growth Goals:

- By the end of the 2025-2026 school year, **40%** of Jefferson students will meet or exceed grade-level standards on the Illinois Assessment of Readiness (IAR) in ELA and **80%** will meet or exceed their individual Fall-to-Spring ECRA MAP projections, demonstrating measurable academic growth.
- By the end of the 2025-2026 school year, **26%** of Jefferson students will meet or exceed grade-level standards on the Illinois Assessment of Readiness (IAR) in Math and **80%** will meet or exceed their individual Fall-to-Spring ECRA MAP projections, demonstrating measurable academic growth.
- By the end of the 2025–2026 school year, Jefferson Middle School will reduce its chronic absenteeism rate from **24% to 22%**, as measured by end-of-year school report card attendance data, through the implementation of our multi-tiered system of support (MTSS) that provides universal, targeted, and intensive interventions to improve student attendance and engagement.

#### School Improvement Plan Summary:

At Jefferson Middle School, our school improvement efforts center around four key domains that shape the overall student experience: **Classroom Experience**, **Community Experience**, **Social Experience**, and **Everlasting Experience**. While we remain fully accountable to our identified student growth goals, we recognize that meaningful academic progress is closely tied to the quality of the identified experiences in which students are immersed at Jefferson. As such, we are committed to establishing clear goals and actionable steps within each of these four domains to support and enhance student success. By continuously improving these areas, we aim to create a well-rounded, supportive, and engaging school experience that helps all students reach their full potential.

## **We Are Jefferson**

### **2025-2026 SCHOOL IMPROVEMENT PLAN**

---

#### **Domain: Class Experience**

**Goal Statement:** Our school will increase student academic achievement by making the classroom experience the foundation for growth—strengthening core academic skills, cultivating a positive and engaging classroom culture, and promoting student ownership and responsibility in every learning environment.

#### **Domain: Community Experience**

**Goal Statement:** Strengthen the school community by enhancing student experiences through expanded extracurricular opportunities, fostering stronger relationships among students, staff, and families, and increasing meaningful parent and family involvement in school events and activities.

#### **Domain: Social Experience**

**Goal Statement:** Provide a safe, inclusive, and supportive school environment that fosters a strong sense of belonging and ensures both the mental and physical well-being of all students, while offering equitable opportunities for academic achievement and personal growth—empowering students to take ownership of their learning, behavior, and contributions to the school community.

#### **Domain: Everlasting Experience**

**Goal Statement:** Rooted in the vision of creating everlasting experiences, the school will cultivate a vibrant learning environment through dynamic student activities, immersive learning opportunities, and shared events that inspire joy, curiosity, and a lasting sense of hope and connection.

#### Focus Area Summaries:

**ACADEMIC SKILLS FOCUS:** The academic skills focus includes targeted and universal interventions in revamped 6th and 7th-grade math blocks, and a review of block structures for enhanced support. In ELA, grades 6–8 will vertically align literature circles as well as a review of block scheduling to incorporate targeted interventions. **Classroom Experience, Community Experience, and Social Experience**

**NEW TEACHER ONBOARDING:** Jefferson Middle School aims to create a well-rounded onboarding process that helps new staff understand important values like fostering academic growth, social development, and community engagement through intentional teaching practices and supportive environments. Its purpose-driven approach is guided by our School Improvement Plan and social-emotional learning initiatives to ensure all students thrive and succeed. **Classroom Experience and Community Experience**

**JEFFERSON JUMPSTART:** Jefferson Jumpstart is a three-week launch to the school year designed for both teachers and students, prioritizing the development of classroom culture, routines, and relationships before regular Chromebook use begins. The launch highlights the importance of setting expectations, establishing rules, teaching RULER lessons, practicing transitions and procedures, and engaging in fun, community-building activities to lay a solid foundation for a successful year. This culminates with an all-school field day on the Friday before Labor Day. **Classroom Experience, Community Experience, Social Experience, and Everlasting Experience**

**RAM REFINED:** As part of our school improvement efforts, Jefferson Middle School is focusing on enhancing and refining the Responsive Advisory Model (RAM) to better support student connection, engagement, and school culture. This year, we are implementing changes that emphasize team building, with each advisory forming distinct team names with crests to build a stronger sense of identity and belonging. To foster ongoing engagement and fun, individual RAM's

will participate in regular competitions and school-wide activities throughout the year. These efforts will be highlighted during quarterly assemblies that recognize achievements and promote community spirit. The year will culminate in our signature event, the ROAR Olympics, celebrating teamwork, participation, and the positive impact of RAM. Through these intentional enhancements, we aim to create a more connected, inclusive, and energized school environment. **Classroom Experience, Community Experience, Social Experience, and Everlasting Experience**

**INSTRUCTIONAL FOCUS:** For the upcoming school year, Jefferson Middle School's instructional focus will center on increasing student ownership and responsibility in the classroom. We believe that when students take greater ownership of their learning, they become more engaged, self-directed, and motivated to succeed. To support this shift, we will implement targeted coaching cycles and provide ongoing, building-based professional development for staff. These efforts will equip teachers with strategies to foster student agency, create more student-centered learning environments, and promote accountability across all content areas. This focus aligns with our broader goal of improving academic outcomes by empowering students to take an active role in their learning journey. **Classroom Experience, Community Experience, and Social Experience**

**ATTENDANCE:** Jefferson Middle School will implement a comprehensive attendance strategy by forming an Attendance Team to regularly review data and apply the 2025–2026 JE Attendance Protocols. Grade-level teams will monitor attendance trends and apply universal interventions to support regular attendance. The school will aim to ensure that each student misses no more than nine school days and arrives on time each day by promoting clear attendance expectations, initiating early interventions, and engaging families consistently. **Classroom Experience, Community Experience, Social Experience, and Everlasting Experience**
