December 2016 Board Report

Curriculum and Campus Updates

December is full of learning activities such as letter knowledge, alliteration, identifying sets, subtracting objects, observing the changes in weather, holiday customs and celebrations, and lots of singing. Our prekindergarteners will take a trip to the nursing homes in Hillsboro to sing and give handmade holiday decorations to the residents. This in-town field trip brings much joy and happiness to the young and old! Mrs. Skelton will share her wonderful story telling talents with us this month. The children will perform their holiday program at 1:30 on December 15 in our Franklin gym. You won't want to miss all the little elves, Santas, stars, and reindeer! As you can see, December is a busy month at Franklin Elementary,

Professional Development

At Franklin Elementary, we recognize the importance of family engagement. This month we will review our family engagement plan, establish a PTA, and develop a blueprint for our outdoor classroom. We will continue our restorative discipline training, conduct mentor observations, analyze district data, utilize resources from Region 12 and the Children's Learning Institute.
