Investment Objectives:

The primary objectives of the Center's investment activities, in order of importance are

-Safety - The investments are direct obligation of the issuing federal agency - The certificates of deposits and REPO's are fully collateralized

-Liquidity - We strive to keep maturity dates in line with cash flow needs

-Return on Investment - By putting our resources into a variety investments (US Agency Obligations, REPO's and Certificates of Deposits) we can cover economic cycles

The above investments are in compliance with our investment objectives and the Public Funds Investment Act
