- Parents and Guardians may elect to have students not ride the bus home from an athletic contest. Parents & guardians must provide a note to the coach/sponsor or complete this **Google form** **24 hours prior to the contest** so that the coach/sponsor can accurately track the child. - At least one coach/sponsor will ride the bus to and from athletic events
- The coach/sponsor will take attendance on the bus prior to leaving Winfield School District 34 and upon leaving the contest.
- Students and staff are expected to follow the student-parent handbook requirements for behavior. We expect all members of the Winfield School District community to carry themselves in a manner that reflects well on themselves and the school district.
- Parents and guardians **with extenuating circumstances** seeking to ride the bus must get prior approval from the coach **and** the athletic director.
- Food and drink are not to be eaten on the bus. All students and staff are expected to take any trash with them from the bus and dispose of it properly.
- Upon arriving at the contest and upon returning to the district, the coach/sponsor shall check to ensure all students are off the bus and all trash/possessions are removed from the bus.
- Athletic/Activity buses are scheduled by Julie Samulski. Please schedule these as soon as the coach/sponsor is aware of the date.
