

Superintendent's Update

Submitted by: Rebecca Rappold

November 12, 2024

Items of Information:

- Transfers-NONE at this time
- October 30th-BMS & BHS Staff took part in the Evolv Security System Training to ensure the proper use of the metal detectors in each building. The Evolv Rep shared updates on the system, assisted in increasing measures of security regarding system set-up and entrance procedures, as well as responded to questions of the staff.
- November 7th- I attended the North Central Montana Association of School Superintendent's (MASS) Meeting in Great Falls. Topics included: MHSA, Montana Rural Education Association, and MT OPI Accreditation.
-
