

## **BP 1325.1 Commercials**

The School Board believes commercials in the educational program are intrusive and are not in the best interests of our students. Commercials are not part of our students' compulsory education and do not merit the same attention and trust as is accorded to educational materials. School time shall not be used for the promotion of commercial products.

Schools are established and maintained with funds allocated specifically for education, and class time shall be dedicated entirely to educational purposes. Advertisements may be studied, however, as part of the consumer education curriculum.
