Graduation 2022: Once an Eagle, Always an Eagle

The 2022 Graduation Ceremony was held on Friday, May 27th at 7:00 in R.O.K. Stadium at Unity School District. It was amazing to see so many people come out to the stadium to celebrate an excellent group of graduates. Each of the speakers delivered entertaining speeches, and Mr. Lee shocked everyone in his wooden tie and shop apron! Harrison Zipperer and Hallie

Nelson delivered fun and memorable speeches that celebrated their experiences and classmates. As all 54 graduates crossed the stage, it was clear that the future has so much in store for the class of 2022. It will surely be a lot of fun to hear of their accomplishments and experience their impact within our community in the years to come. Congratulations to the graduates of the Class of 2022!

Atlas Curriculum Mapping: Curriculum Development and More...

Over the course of the summer, Unity District staff members at all levels will be working within a curriculum mapping tool called Atlas. Atlas provides staff members with the structure and tools to organize their curriculum content in a manner that clearly sets the scene for what they cover in their classes throughout the school year. One of the elements Atlas

offers that is helpful for parents and community members is a curriculum map. That curriculum map lays out the scope and sequence of the content within each course/class offered district-wide. Atlas also serves as a meaningful tool for incoming staff members as they will have a clear picture of the Board-approved curriculum here at Unity.
