

Action Sheet

MEETING DATE:

December 16, 2020

AGENDA ITEM:

Discuss and approve the 2021-2022 School Calendar

The proposed calendar has gone through several iterations with feedback from teachers, administrators, and support staff. The calendar was presented at the DEC meeting on November 16, 2020. It was also presented to the Curriculum Team and the Administrative Team for review. Through the District Education Committee, the calendar was distributed to the campuses and faculty and staff for comment. Based on the feedback received, Administration is recommending the proposed calendar. The calendar also includes three Early Release times for planning and/or professional learning as well as a Fall Parent Teacher Conference date and a Spring Parent Teacher Conference date.

RECOMMENDATION:

I move that the board approve the 2021-2022 school calendar.
