## Updates

- Staff will officially return on August 12<sup>th</sup>. We will hold our all staff opening meeting on that day and the principals are busy scheduling meetings for that week for staff as well. The first student day is August 19<sup>th</sup>.
- As we move into a new school year, we will start to hear more conversations at the state level related to school choice and public funds going to private schools. The current discussion is around doing no harm to public schools in the process. The challenge they will likely face is that the tax receipts for Idaho are coming in lower than expected. This means there won't be increases in funding so the money will have to come from somewhere.
- It's incredible how much our maintenance crew has accomplished this summer. They've worked hard to make improvements as well as getting the facilities ready for students and staff.
