

Executive Summary

Prepared for Board of Trustees Meeting June 25, 2019

Discipline Update

Board Goal:

- Develop and maintain a culture where learning is our first priority.
- Encourage and nourish a safe learning and compassionate working environment
- Establish a high level of expectation for student success
- Foster a positive and welcoming environment that encourages parent and community partnerships

Purpose of Report

- To provide an ongoing dialogue concerning students' social, emotional, and behavioral well-being using data to guide us as we continue to focus on supporting the whole child.

Objectives

- This update will provide insight to not only behavioral consequences but will shed light on our efforts to use a Multi-Tiered System of Supports to engage the student socially, emotionally, and behaviorally.

Operational Impact

- N/A

Results

- Tonight's update requires input from the Board of Trustees.
