

SPLENDORA INDEPENDENT SCHOOL DISTRICT
BOARD OF EDUCATION RESOLUTION APPROVING
THE CONTINGENT FEE LEGAL SERVICES CONTRACT
WITH THOMPSON & HORTON, LLP, EILAND & BONNIN, PC, AND
O'HANLON, DEMERATH & CASTILLO, PC

After having provided adequate notice as required by Sec. 2254.1036 of the Texas Government Code, the approval of the Contingent Fee Legal Services Agreement (“Agreement”) with Thompson & Horton, LLP, Eiland & Bonnin, PC, and O’Hanlon, Demerath & Castillo, PC is approved and the Superintendent or any member of the Board of Education of the Splendora Independent School District is authorized to execute this Agreement.

After exercising its due diligence, the Splendora Independent School District (“District”) Board of Education finds that:

1. There is a substantial need for the legal services to be provided pursuant to the Agreement;
2. These legal services cannot be adequately performed by the attorneys and supporting personnel of the District at a reasonable cost;
3. The specialized legal services, advancement of expenses, and compensation on a contingent fee basis required by this agreement cannot be performed by the attorneys and supporting personnel of Splendora Independent School District because the District does not currently employ attorneys who have specialized knowledge and experience regarding Multi-District Litigation and related analysis and legal remedies under both Texas and federal law on a contingent fee basis. In addition, the District does not have budgeted the financial resources necessary to compensate competent and experienced attorneys and staff regarding Multi-District Litigation as District employees or to reasonably compensate a firm in private practice with the necessary experience under a contract providing for payment on an hourly basis without contingency.
4. Due to the complexity of the matter and expected difficulties in performing the legal work for this matter, the risk of no recovery, the expected expenses, including expert witness fees and other litigation costs, a reasonable hourly fee for a firm in private practice to prosecute this matter would exceed the amount for which the District would be able to adequately budget and expend financial resources. The District also does not have the financial resources required to pay the additional, significant costs of implementing appropriate infrastructure and technology necessary to fully and properly perform the needed legal services. The District also does not have the financial resources required to properly pursue its claims and causes of action, including to retain independent experts as testifying witnesses and to finance all costs of litigation through final resolution of the matter. Additionally, many law firms that handle large, complex matters strictly on an hourly basis have institutional clients, including social media corporations, and it would be difficult to find a firm with the required experience that does not have a conflict of interest that would hinder the firm’s ability to effectively represent the District. The

proposed law firms have certified that they have no such conflict of interest in representing Splendora Independent School District.

5. The legal services cannot be reasonably obtained from attorneys in private practice charging hourly fees without contingency because a contract to pay attorneys on an hourly basis without contingency would represent an additional and significant cost to Splendora Independent School District. Furthermore, the District would be responsible for payment of all costs and expenses of the litigation through appeals, including to retain independent experts as testifying witnesses and to finance all discovery expenses and other costs of litigation through final resolution of the matter. The District does not have the financial resources necessary to pay for these additional and significant expenses necessitated by this social media multi-district litigation.

10. The approval of this Agreement with Thompson & Horton, LLP, Eiland & Bonnin, PC, and O'Hanlon, Demerath & Castillo, PC is the result of an arm's length transaction between the District and Thompson & Horton, LLP, Eiland & Bonnin, PC, and O'Hanlon, Demerath & Castillo, PC and is fair and reasonable. The relationship between the Splendora Independent School District or the District's Board and the law firms being retained is not improper and would not appear improper to a reasonable person.
11. Additionally, time is of the essence in the provision of these legal services. Potentially impending legal deadlines require urgent action by counsel.
