Re: Quarter Four (Q4) Dashboard Review

I would like to request the addition of an agenda item to the Committee of the Whole Meeting scheduled for February 9, 2026.

Brian Weber of Plante Moran Realpoint and I would like to present the Quarterly Dashboard Report (Fourth Quarter) to the Board of Education. This report will provide a visual summary of key performance indicators (KPIs) and relevant metrics covering the fourth quarter of 2025 as it relates to our Bond Program. It will also include updates on bond projects managed by Plante Moran Realpoint.

As a reminder, the schools we concluded in Bond Summer 2025 work were:

- Johnson Upper Elementary School
- Buchanan Elementary School
- Grant Elementary School
- Churchill High School

Summer 2026 Bond Program schools are:

- Garfield School
- Niji-Iro Japanese Immersion Elementary School
- Webster Elementary

We look forward to sharing progress and insights with the Board of Education.
