Agenda Item Title: iCEV

From/Presenters: Dr. Jennifer Gutierrez, Deputy Superintendent

Description: iCEV is a comprehensive, TEKS-aligned digital curriculum hosted on the iCEV platform, designed to enhance Career and Technical Education (CTE) across 11 subject areas. The iCEV curriculum offers both students and educators full access to an extensive library of engaging and industry-relevant coursework, ensuring alignment with Texas Essential Knowledge and Skills (TEKS) standards. A key feature of this curriculum is its robust support for certification preparation. Students gain access to preparation content for 19 industry-based certifications directly hosted on the iCEV platform, along with preparation materials for over 85 additional industry-recognized certifications. This positions students for success in both postsecondary education and the workforce by equipping them with credentials that meet current industry demands. The curriculum offers built-in flexibility to accommodate diverse learning needs and pacing, allowing teachers to tailor instruction to support student success at every level. Additionally, iCEV's dynamic platform ensures that content remains up to date with the latest industry standards, trends, and best practices. iCEV is a forward-thinking, scalable digital solution for delivering high-quality CTE instruction and certification preparation—empowering students and educators with the tools needed for meaningful, real-world success.

Historical Data: The South San Antonio ISD used iCEV in 2023-2024 and 2024-2025 SY.

Recommendation: Approve the purchase of TEKS aligned iCEV curriculum for the 2025-2026 school year.
