Re: Lakeview Bus End of the Year Report

This 2015-2016 school year, the Lakeview Bus Report focused on three areas; accidents, parent complaints, and timely drop off and pick up from the schools. The results are below.

Accidents:

Two minor fender benders resulting in no injuries to students.

Complaints:

There were five parent complaints. Four complaints were regarding late or missed pick ups. One complaint was regarding student behavior on the bus.

Arrival/Departure:

Beye – one bus was consistently late

Lincoln – one bus was consistently late

Julian – special education bus was consistently late

Whittier – one Early Childhood bus was consistently late

The late arrivals were corrected by assigning new bus drivers.

We continue to monitor all the bus routes. If there are any issues or concerns, the district office is in contact with the owner of Lakeview to solve any problems. The district has continued to emphasize to Lakeview that they must do a better job of communicating to parents, schools and the district office when buses are running late.
