

Aubrey Middle School

October 2010

Board Communications

FAMILY NIGHT AT THE BOOK FAIR:

The library held their annual Family Night on September 28th from 6:30 - 8:00 pm. They provided snacks and drinks. A drawing was held the next day for free books and posters for students who attended Family Night.

COOKIES WITH THE COUNSELOR:

Mrs. Gillum will have parent meetings this year titled, "Cookies with the Counselor". The meetings will focus on information that parents need to help their middle school student be successful. The first meeting was held September 28th in the AMS cafeteria from 6:00 - 7:00 pm. The topic of the meeting was "Ways Busy Parents Can Help Their Students".

REWARD ASSEMBLIES:

AMS will have reward assemblies at the end of each six weeks for the students. We will announce perfect attendance and honor roll students. Our plan is to give these students a small token (pencils, Sonic certificates, etc.) We are also going to play a game with the students called "Minute To Win It". The teachers will choose two students from each Chap Team Time class to participate in the game with the teachers. For example: students who may not always be perfect, but have improved lately and need a small boost, or students who don't make the highest grades, but always work hard! Our goal is to recognize all the great students at AMS.

6th grade Reading

Ms. Phillips reading class just finished a study on Mt. St. Helen and traveled via google earth into the volcano. Students have been watching Mt. St. Helen live each day via the Volcano cam.

7th grade Ag / Careers

Students are learning about college educations and why an education is important.

8th grade Ag

Students are learning how to effectively run a meeting with their Parliamentary Procedure.

Fall Dance

AMS will have their annual Fall Dance Wednesday, October 27th 3:45 - 5:00

**LET'S
HEAR
IT FOR
FALL**
