Re: Joint Termination Letter - Fred Moore Day Nursery School Agreement

To Whom it May Concern;

As you know, the Denton ISD (the District) and the Board of the Fred Moore Day Nursery School (FMDNS Board) (collectively as “the Parties”) are longtime partners with the City of Denton. At this time, both Denton ISD and the FMDNS Board seek to terminate the ongoing agreement between the City of Denton and the Fred Moore Day Nursery School (“*Memorandum of Understanding / Subcontract for Childcare Services*” dated 11/16/21).

On behalf of these organizations, we appreciate the long-term partnership we have enjoyed with the City of Denton. At this time, due to organizational and budgetary constraints, the Fred Moore Day Nursery School is no longer providing daycare services at the building located at 821 Cross Timber Street, Denton Texas. Accordingly, the Parties request to terminate for convenience the 2014 and 2015 Public Facility Improvement Services Agreement pursuant to Section 25.B.

We appreciate the collaboration and work that we have all accomplished over the last several years. Please do not hesitate to contact us if you have any questions.

Respectfully,

Barbara Burns, President
Denton ISD Board of Trustees

Respectfully,

Debbie Stafford
FMDNS Board
