October 2023 Board Report

TO: NBCUSD #16 Board of Education, Mrs. Jill Larson, Superintendent

From: Hattie Llewellyn, High School Principal

School/Building Improvement:

- The high school Instructional Leadership Team and Building Leadership Team have been meeting monthly to work on goals and an action plan for improvement.
 - Both teams have been analyzing 5 Essentials Data, PBIS Behavior Data, CCRI Data, and Analysis of Conditions feedback from last school year to create these action plans.
- This year, we have been meeting as grade level MTSS teams every Wednesday. Each team reviews behavior, attendance, health, and academic data (BAHA) for the students in the grade level and we coordinate support to better meet the needs of individual students.

Assessment

- Tuesday, October 17th the Juniors took the PSAT/NMSQT Assessment. Mr. Viola has done an amazing job coordinating and scheduling the testing and I would like to thank all the staff for pulling together and assisting with proctoring, accommodations testing, as well as hall monitoring.

Pretzel Positives

- Cherokee Duewer was name CACC Student of the Month

- NB FFA has been very active this year - it is great to see our students participating and competing in so many events!
- NB Band and Choir students had their first concert last Wednesday. They have another one coming up the first part of November.
