

FOOD SERVICE

Menus are available on the Three Rivers School website.

Free/reduced lunch applications are being processed. If you have any questions regarding the status of your application, call Donna or Wren at 541 476 4183.

Please take student lunch money to Mrs. Polka in the cafeteria.

REMINDER

Whenever possible, after school plans should be made with your student before they leave home in the morning. If there is a change in the normal after school transportation, please send a note to the office with the specific information of the change. For example – riding the bus to the Y and dates or is Grandmother picking up.

Your child’s safety is our foremost concern. The front office gets busy and we want to be sure that your student gets on the right bus heading to the right place.

When a student is going home with another student, parents of both students need to provide a note to the office.

As much as possible, if plans change or if you have an emergency and you need to call to inform us of the change, please call before 1:00 PM to insure that your student will get the message.

On another note, if you move or change your phone number, please contact the office so records can be updated. We want to be sure to be able to make contact with you in the event your student is sick or needs to go home for any reason.

Your student’s safety is our main concern.

BOOK FAIR

Thanks to the response from our students and their families, the Book Fair was a huge success. They were able to choose from a variety of new and exciting books. Due to this success, the library is able to purchase approximately 40 new books to add to the shelves for our students.

This was made possible with the assistance of volunteers from our PTO and College Dreams. Thank you to our wonderful volunteers.

Books are still available through our on-line Book Fair until October 10th. Go to the following website: <http://bookfairs.scholastic.com/homepage/jeromeprairie>.

Families of our students may also visit our library and check out books.

SMART PROGRAM

We are pleased to announce the return of the SMART Reading Program (Start Making A Reader Today). This program allows children to read one-on-one with volunteers and it provides free books for children to take home. SMART will be held on Wednesdays and Thursdays beginning October 19th and will run through the middle of May. Students in grades K-2nd will participate in the program.

If you are interested in volunteering to read with our participating students, please contact Debbie Sauro or Kim Flow at 541 476 2802.

SEPTEMBER AWARDS

Life Skill – Respect

- Ethan Westling
- Guy Mead
- Max Sloan
- Jackson Brackett
- Draven Solano
- Aron Kruse
