7-15-24

WHS is proud to announce that 243 STUDENT-Athletes earned a 3.25 gpa or higher during the second semester while participating on a winter or spring sports team.

Our coaching staffs have been busy this summer hosting youth camps for the community. This is a great opportunity for our youth to improve their skills while having FUN. Coaches also put in long hours in the summer traveling to summer tournaments, leagues, and games around the area. Additionally, our staffs have done a great job hosting open gyms, leagues, and strength and fitness opportunities for our student-athletes to improve over the summer months.

The community is encouraged to participate in the WHS Athletic Boosters golf outing scheduled for Saturday August 10th at Annbriar Golf Course.
