

Transforming Learning Spaces:

Flexible Furniture Options

**Cornell Elementary School
2023-2024**

**Presented by
Tracy Ojerio, Principal**

Problem Statement

- The current furniture in the classrooms and hallway is outdated, bulky and uncomfortable.
- The furniture does not provide a flexible or collaborative options in the learning environment for young students.
- A new set of flexible tables and chairs will improve the overall safety, aesthetic and comfort of our shared spaces.

Previous Transformations

Wobble Stools

Wobble Floor Discs

Standing Desks

Bean Bag Chairs

Floor Rockers

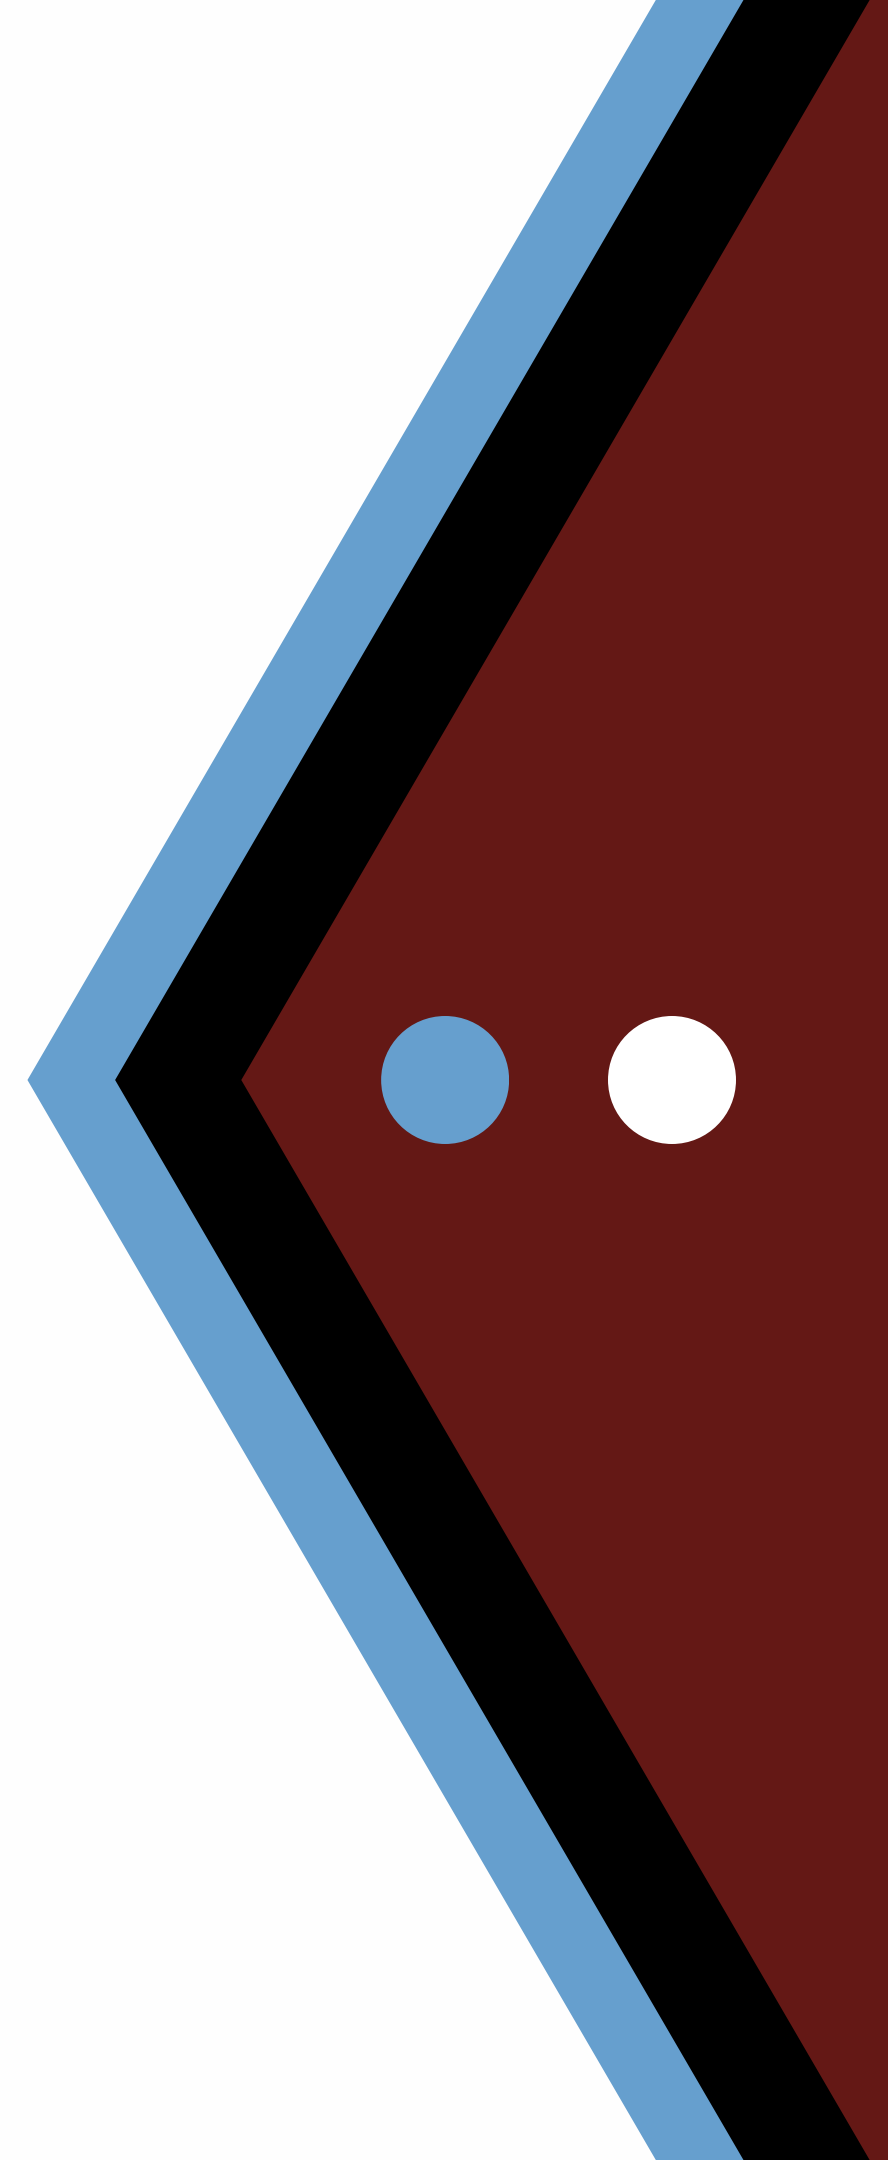

Floor Cushions

Kindergarten Classrooms

Bright yellow, shape not easily reconfigured, heavy & difficult to move, and chairs are hard & have no flexibility for wiggle movements

Fourth Grade Classrooms

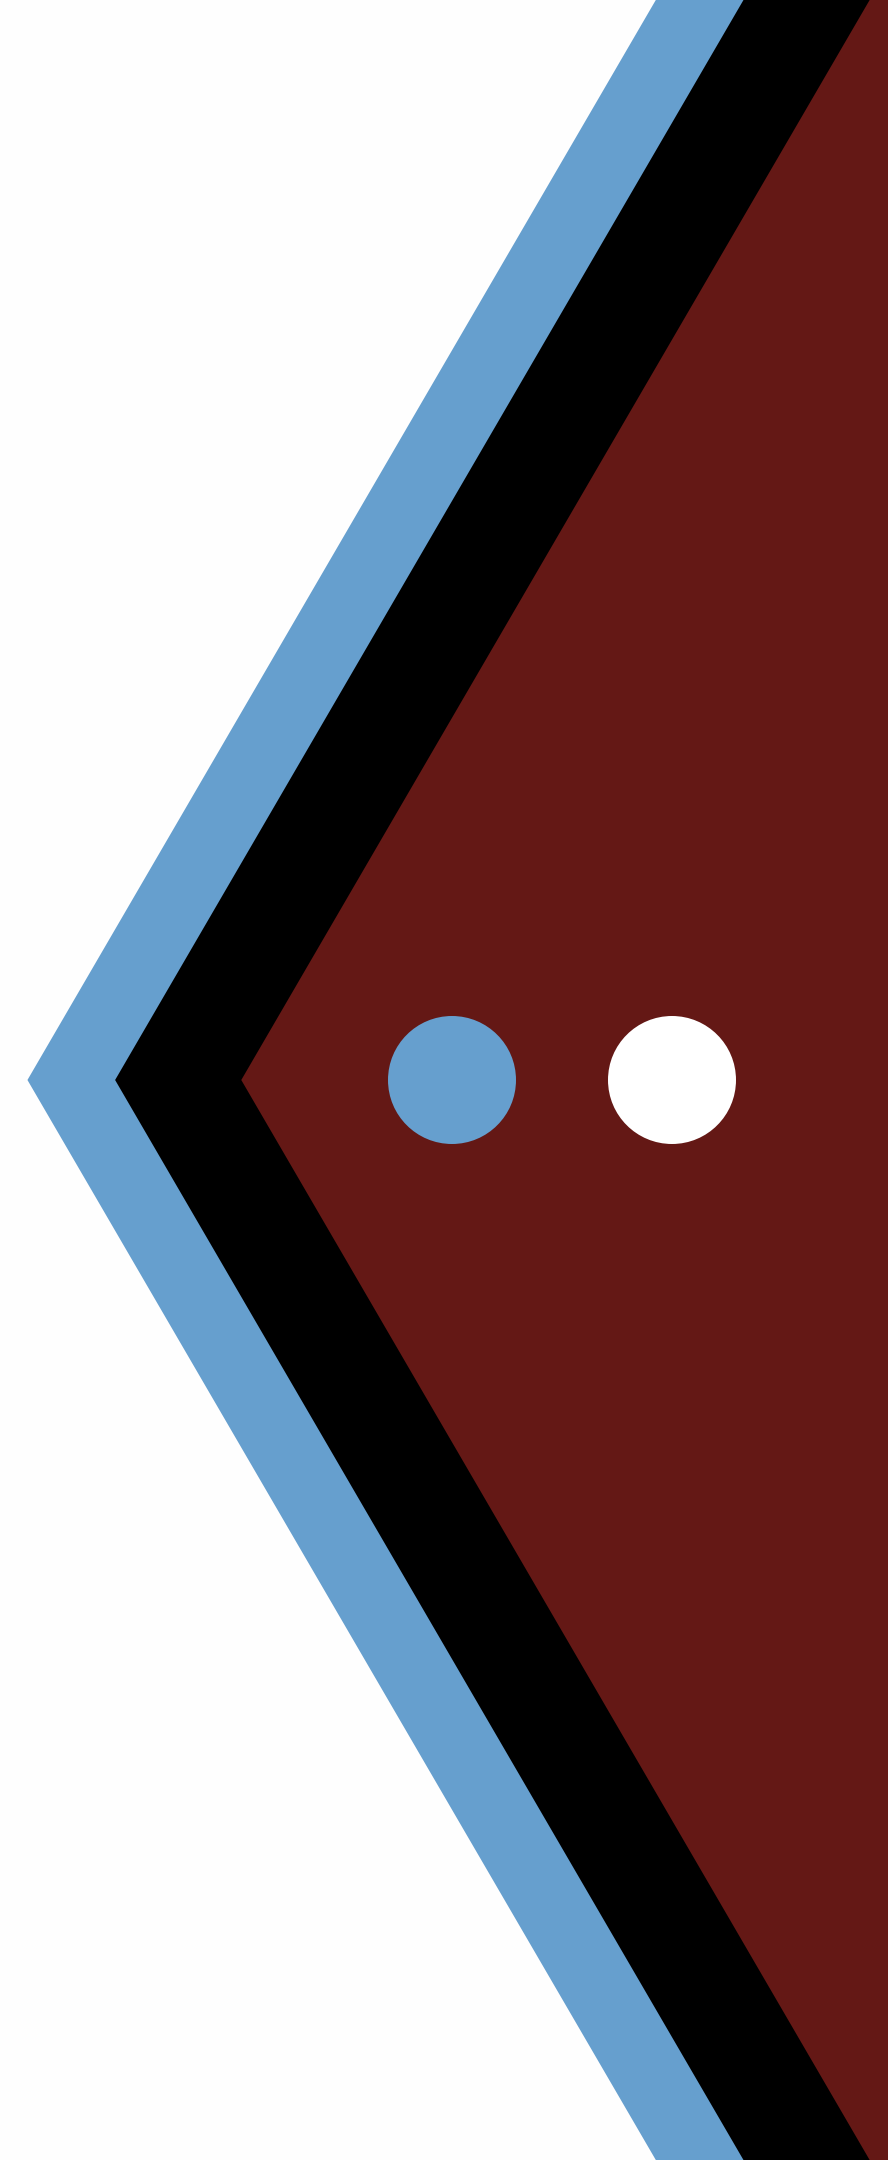

Bright yellow, shape not easily reconfigured, heavy & difficult to move, and chairs are hard & have no flexibility for wiggle movements-same issue, larger sizes!

Art Room Seating

**Seats warping on many stools & have been repaired/soldered multiple times
creating safety issues for students**

Collaborative Hallway Spaces

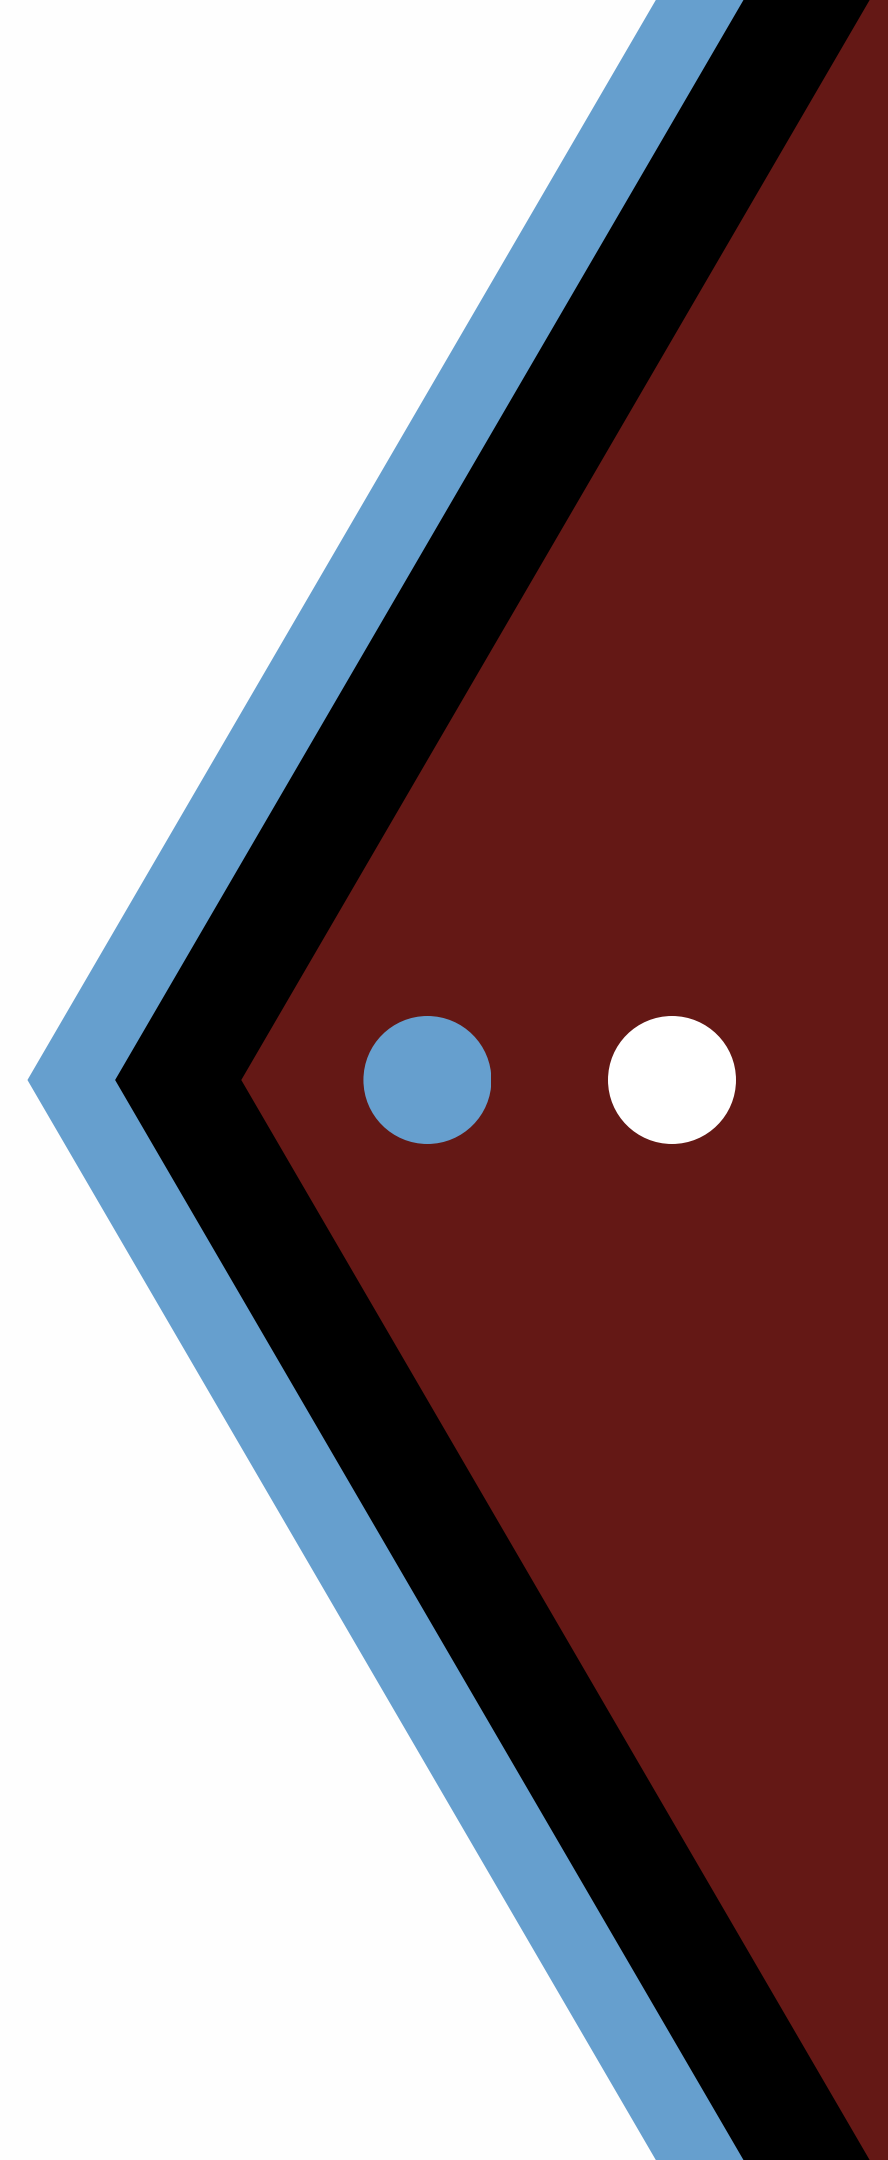

Main Hallway Collaboration

**Large and bulky furniture has been removed to allow ease of access to hallway spaces;
eliminated opportunities for flexible & collaborative learning spaces**

Our Solution

- ✓ Replace tables and chairs in Kindergarten and 4th Grade classrooms with flexible & updated options.
- ✓ Update 6 shared hallway spaces, to offer collaborative seating, comfort and flexibility for small groups learning.
- ✓ A new set of art stools will improve the overall safety, aesthetics and comfort of the shared art space.

Kindergarten Classrooms

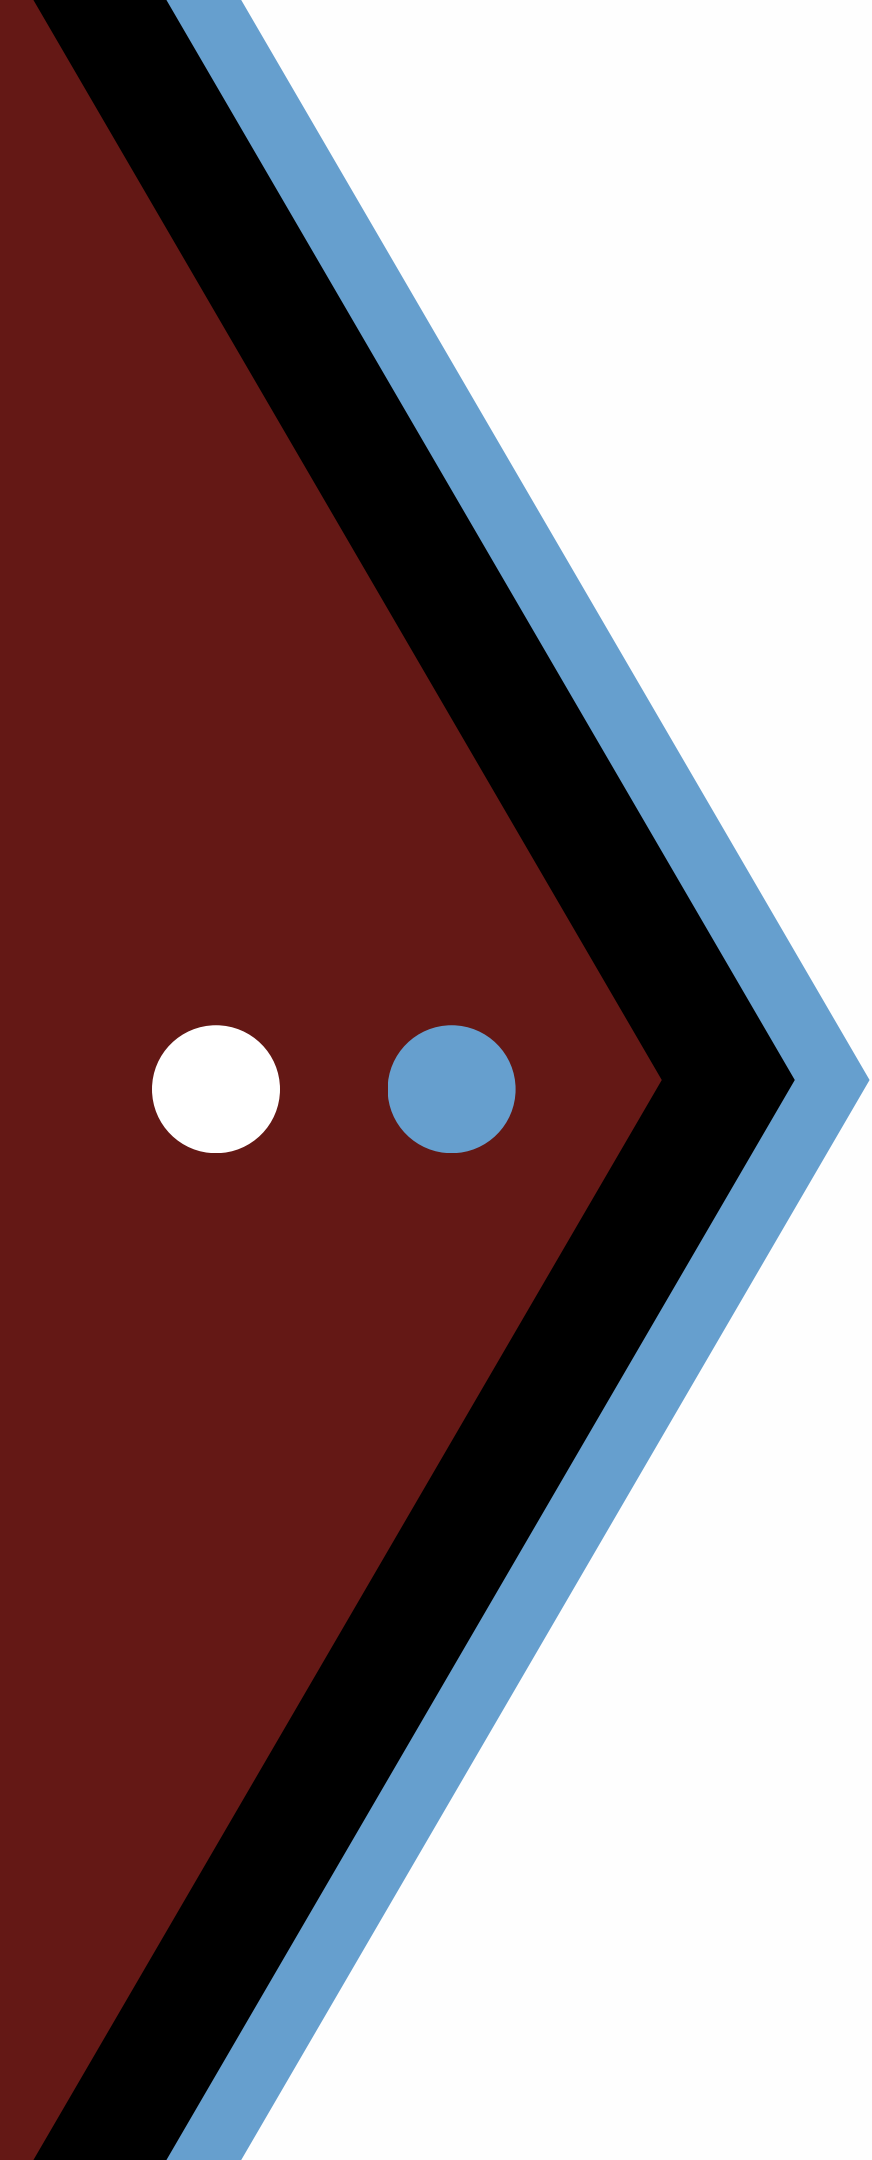

Flexible back/stackable chairs, adjustable leg tables with casters for multiple configurations

Fourth Grade Classrooms

Flexible back/stackable chairs, adjustable leg tables with casters for multiple configurations

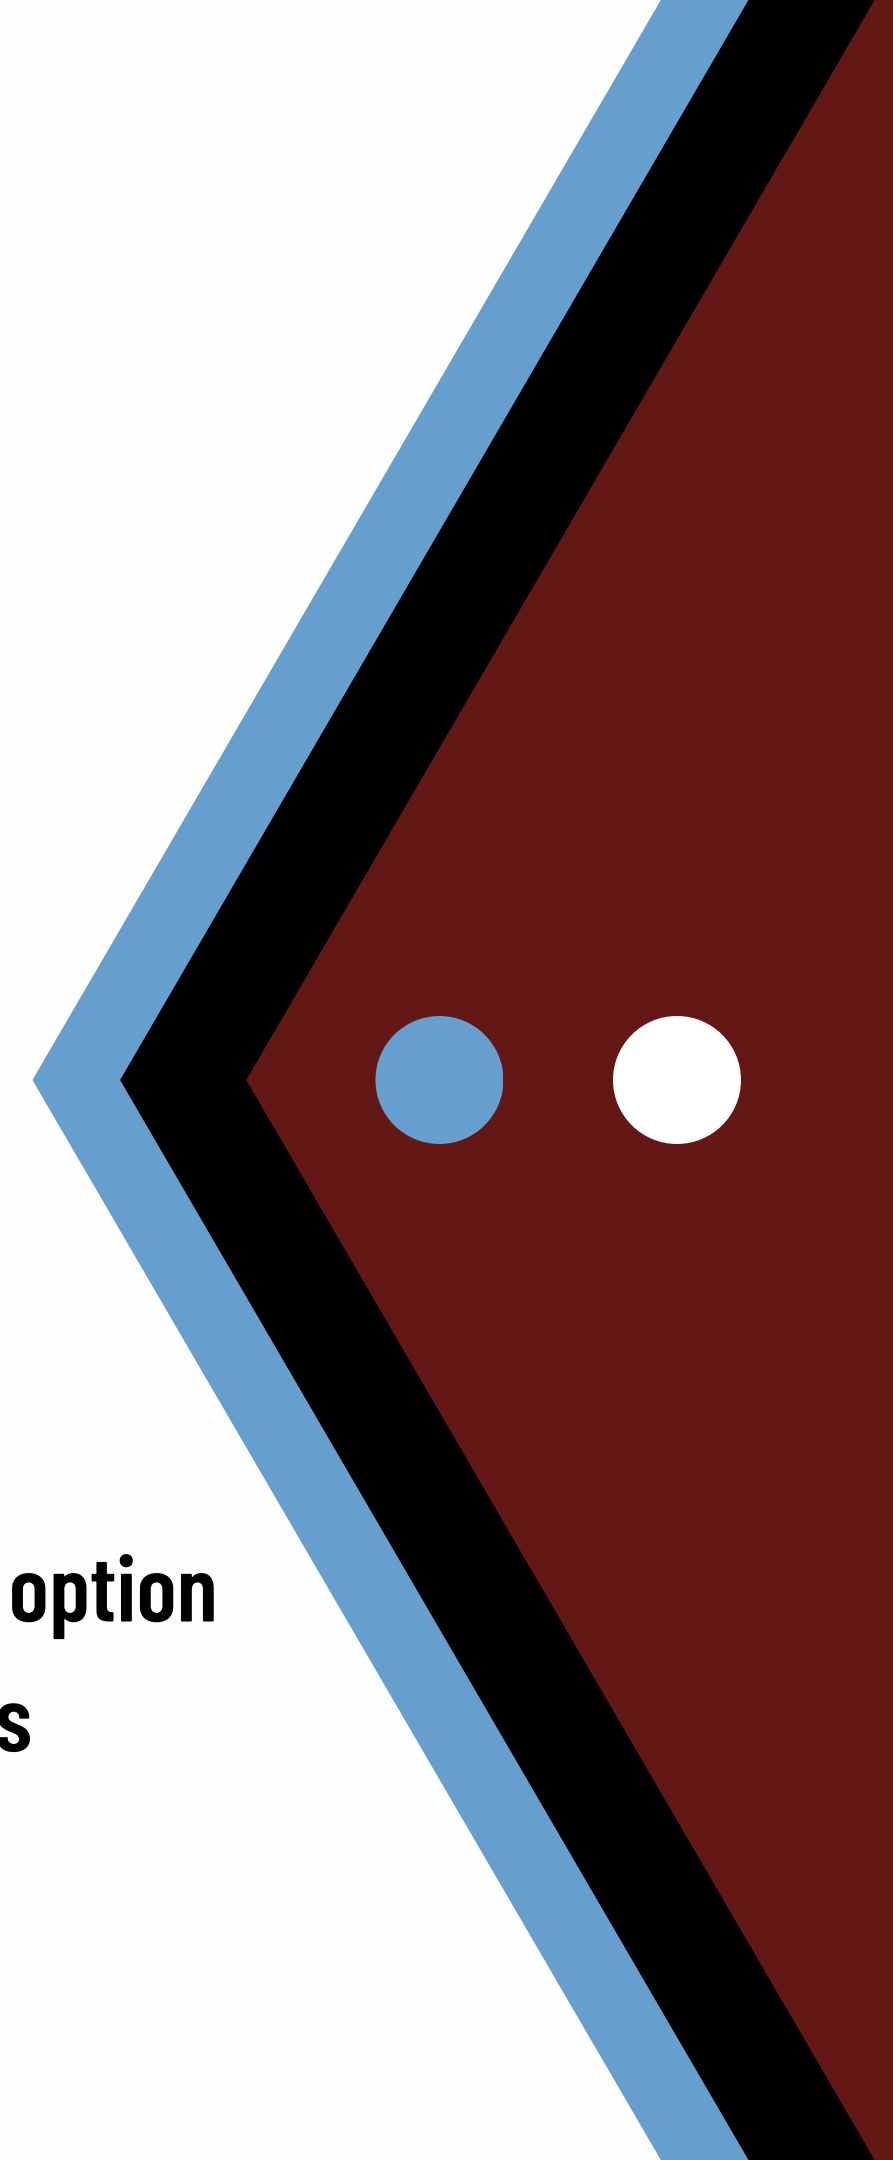

Collaborative Hallway Spaces

Main Hallway Collaboration

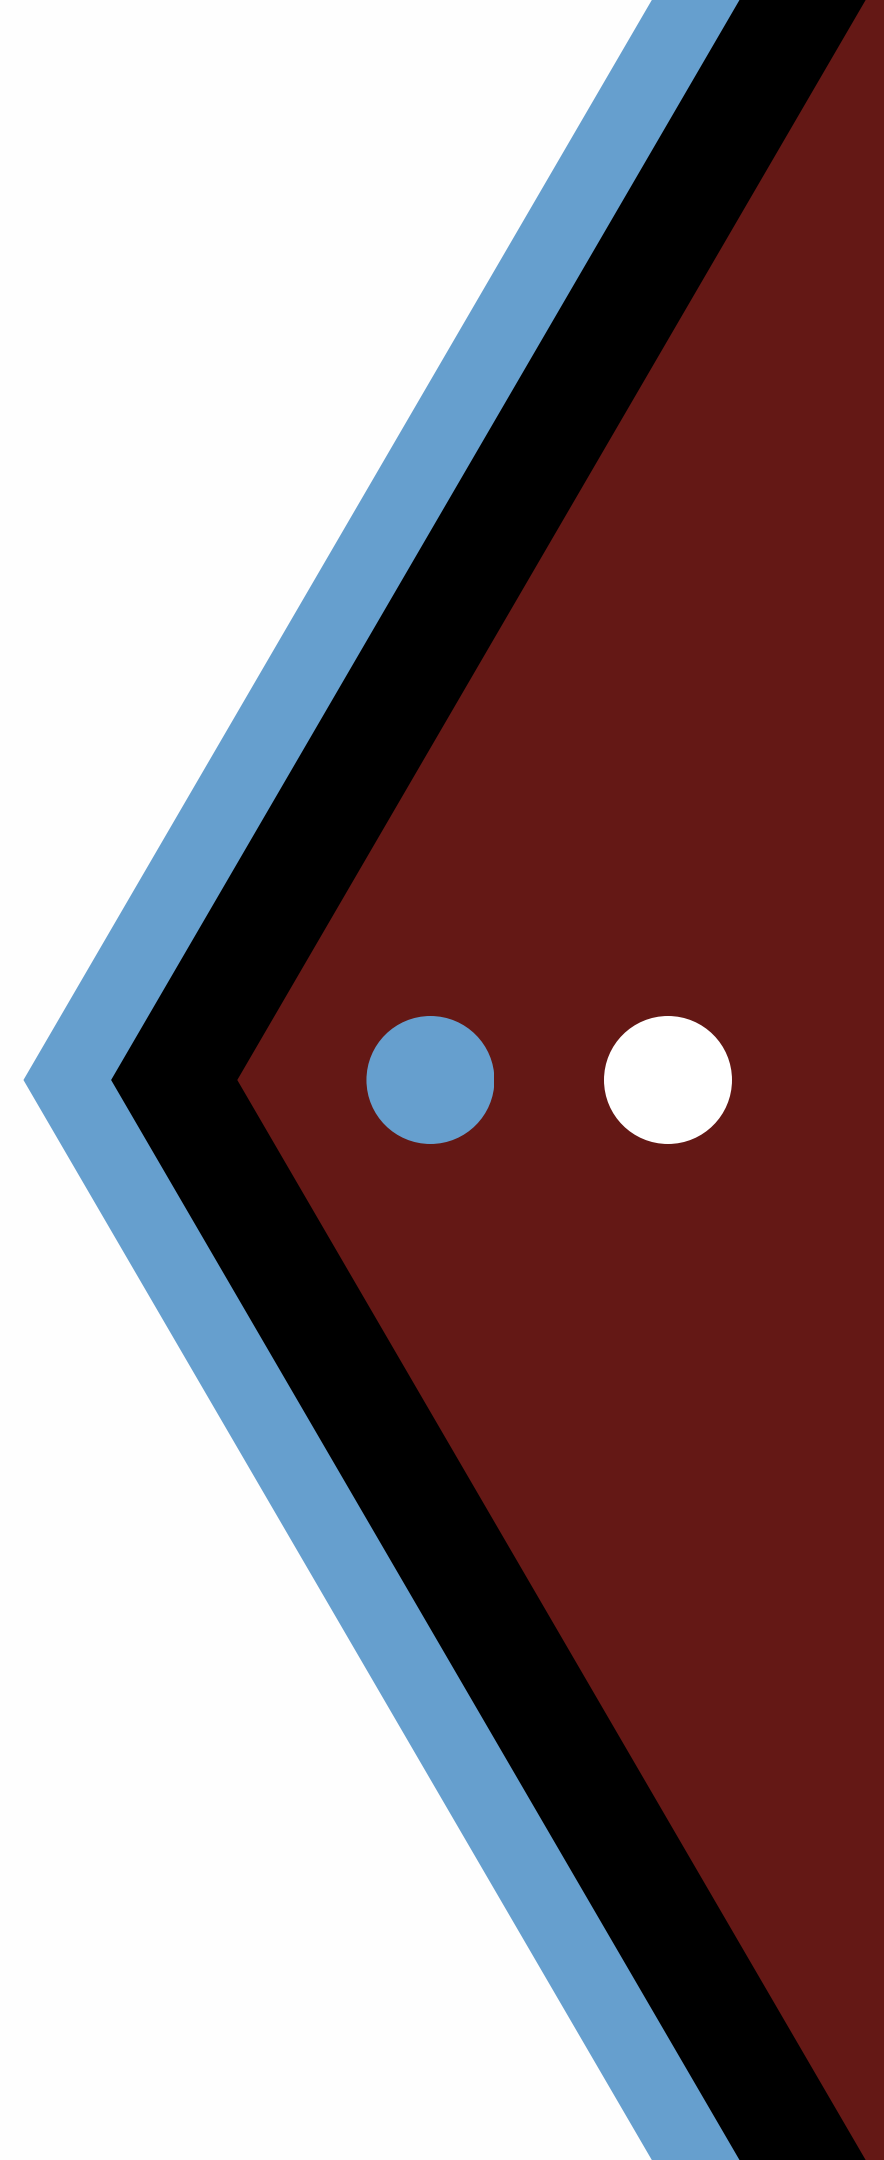

**Tables with flip/lock option
& nesting stools**

Art Room Seating
