

Clearview Baseball Fields and Clear Lake Area Youth Baseball Partnership

School Board Presentation

March 12th , 2025

Partnership History

- Clear Lake Area Youth Baseball Association (CLAYBA) and ISD 742's partnership with the ballfields at Clearview date back to their original construction in 2003.
- History Includes:
 - The construction of the baseball fields became possible in the past through donations with the CLAYBA organization in conjunction with ISD 742.
 - The baseball fields consist of 4 fields and a centralized equipment and concessions area utilized and maintained by the CLAYBA organization through a memorandum of understanding with the school district.
 - CLAYBA invests through donations and volunteers in the ongoing maintenance of the baseball fields.

Fall 2024 Project

- Project this year focused on providing dugouts with a roof.
- The project included 2 of the 4 fields (4 dugouts total)
- Over \$20,000 was invested in the upgrades for the primary playing fields.
