Academic Services

Date: December 1, 2025

To: Andrea Oquist, Superintendent

From: Theresa O'Brien, Chief Academic Officer

Subject: Index Scores

During the Committee of the Whole meeting on December 8, 2025, I would like the opportunity to review with the Board of Education the Michigan Department of Education School Index System reports. The scores are currently open to the public and I will present them for further discussion with the Board on Monday.

Thank you for your consideration of this request.
