October & November

Middle School Athletics

Boys Basketball started 10/14/24

We are having trouble with our numbers in the 7th grade and we have not finished the last couple years with a full team.

Remedy for next year is to make 1 team and start our more advanced players on the same team. Make a B team for the under developed players and start giving them a better foundation to learn the sport. This can alleviate playing time conflicts but it isn't a perfect system as problems with parents will still arise.

Napi Elementary Athletic Coordinator

We have no winter sports going on at the Napi and the high school will be utilizing their gym to have practice for our high school C-squad.

Boys Wrestling

Starts Nov. 21st and looking to have around 30-40 tryout. 1 defending state champion is injured but has been cleared for full contact to defend his title.

Girls Wrestling

Starts Nov. 21st and looking to have around 35-45 tryout. We have more than we ever had and will be prepared for next year when we move to each school having 14 weight classes specific to each event.

Boys Basketball

Starts Nov. 21st with a schedule change from start date Nov. 25th. This was to ensure we was MHS A eligible with practices before the Native Classic Starts. Looking at having 60-70 tryout with an implementation of not posting the teams and handing out individual letters to every kid that tried out.

Girls Basketball

Starts Nov. 21st with a schedule change from start date Nov. 25th. This was to ensure we was MHS A eligible with practices before the Native Classic Starts. Looking at having 35-45 tryout with an implementation of not posting the teams and handing out individual letters to every kid that tried out.

Last 2 years we did not finish with a C-Squad.

Winter Cheer

Starts Dec. 9th with a full week of tryouts. Open gym will continue until tryouts began.

We started the try outs late so we can give the opportunity for the students that get cut from basketball, to have another opportunity to make the cheer squad.
