Staff Development - None for the month of January

Principal's General Narrative:

January started out to be a great beginning to the new year. Our students and teachers continued to work hard to get ready for our busy Spring Semester. The first two weeks went very well, unfortunately tragedy hit our school system on January 23. Our staff did a great job with our policies and procedures in the aftermath of the tragedy. Our UIL academics continue to excel in the virtual meets and we will have our first meet where we will travel to on February 6th. Our sports teams are continuing to work hard to improving daily on their athletic skills. Boys and Girls basketball teams are in excellent position to make the playoffs if they win their next few games. Softball and baseball have started with practices, as well as One Act Play. We look forward to a very productive February.
