

Tupelo Transportation 2017 – 2018
School Board Presentation December 5, 2017

These are the buses that we currently have at the bus shop:

3 – ECEC

7 – Carver/Lawhon

6 – Joyner/Rankin

6 – Parkway/Lawndale

5 – Thomas/Pierce

8 – Milam

13 – TMS

19 – THS

67 Total

2 – SDP

5 – SPED

7 Total

67

7

74 Total Routes

2 Golden Wave buses

2 Activity Buses

78 Total Buses in Use

17 Buses on the yard (10 Spares and 7 that are considered “dead”, not economical feasible to fix). It would cost between \$8000 to \$10,000 to fix.

95 Total Buses on the yard

We have purchased the last installment of buses from our bond money. When they arrive, we will have purchased forty buses. They all will be air conditioned. On the next page, there is the

breakdown by each year the number of buses purchased. With the additional purchase of the last installment of buses, the transportation bus yard is full. We are running out of space. On behalf of the Transportation Department, I would like to Thank Dr. Loden, the TPSD School Board, and the citizens of Tupelo for making all these purchases possible.

Sincerely yours,

Larry Harmon

Transportation Director
