Re: Discussion of Bids for Abatements at Hayes, Kennedy and Roosevelt- 2013 Bond

Asbestos abatement will need to take place as part of the renovation at Hayes, Kennedy and Roosevelt Elementary Schools this summer. We would like to discuss the responses received from the Request for Bids (RFB) for Asbestos Abatement at the next Building and Site Committee meeting on Monday, March 2, 2015.

The RFB for the Asbestos Abatement at Hayes, Kennedy and Roosevelt Elementary Schools was made available on January 21, 2015. Our Owner's Representative Plante Moran Cresa conducted a mandatory pre-bid conference on February 5. The bid responses were due on February 18, 2015. We received 3 responses and Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

The bid responses will be available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms. We will have two weeks between the committee and the regular meeting to answer any questions you may have.

On Monday, March 2, 2015 at the Building and Site Committee meeting Plante Moran Cresa will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors to provide the Phase II asbestos abatement for the three elementary schools.
