

Registration Information

Online registration for both locations will be available beginning Friday, April 15, and will close at 5 p.m. June 3 for San Antonio and June 17 for Fort Worth.

Before you register, be sure to access the complete list of session offerings for the location of your choice to determine the sessions that will be included with your registration. **Registrations will not be processed without session selections indicated.**

After reviewing the session offerings, complete the **Session Selection Forms** and return them to your superintendent or designee so that he or she may complete your registration.

To speed up the process and to ensure accuracy, register through myTASB Event Registration, which automatically pulls individual and district information from the TASB membership database.

If you need to register on site, complete the on-site registration form before coming to the conference to help speed up the process once you arrive.

To find either the Session Selection or on-site registration forms, go to LTS.tasb.org.
