Re: 2018 Entryway Projects

We would like to discuss the bid responses received for the Summer 2018 Entry Projects at Churchill High School, Buchanan Elementary, Webster Elementary, Jackson Early Childhood Center, Livonia Career Technical Center, Niji-Iro Elementary, and the Central Office Complex during the next Building and Site Committee meeting on Monday, February 12, 2018.

Please note that the District will be using the Sinking Fund to pay for the entryway projects at Niji-Iro and Central Office, while the other five entryway projects will be funded via the 2013 Bond Fund.
