Re: Burlington Donation-Adopt A Classroom.Org

I received a call and an email advising me that our school had been selected by our local Burlington Store to receive a \$1,000.00 donation for a teacher at our campus. I am submitting the request and attachment for your review and for possible placement as an item on the next board agenda.

Please advise if additional information is needed. Thank you for your assistance in this matter.

Dear Principal Arojas,

Congratulations! One teacher at your school will receive a \$1,000 donation through AdoptAClassroom.org for classroom supplies and materials for the 2017/2018 school year. Your school's local Burlington store location has selected your school as part of their partnership with AdoptAClassroom.org, a national nonprofit organization that supports teachers.

We thought that this would be a great way for you to acknowledge one of your teachers who has made a huge impact on their students... Or funds could go to a teacher's innovative ideas for a classroom project or program. Teachers can spend this money however they would like on the supplies their students need from pencils to technology through AdoptAClassroom.org.

To nominate a teacher: Just respond to this email! We only need the teacher's name and email address to sign them up for the funds.

Teachers will be notified this fall via email and will receive the funds in their AdoptAClassroom.org account this October, 2017.

Thank you!

Sincerely,

—
