Summer School Makes Learning Fun!

SAVE THE DATES: June 13-30, Monday Through Thursday

Unity's Summer School Program is always the most impressive summer school program in the region. 2022 will be no different and will be full of exciting and engaging learning opportunities!

In any given year, over 600 Unity students participate in many exciting, engaging, and unique learning opportunities in the summer. Unity provides the area's richest, most rigorous, and creative summer school programming, with students and teachers working together to learn through exciting opportunities and the great outdoors. The courses offered are geared toward students' interests while providing a project based approach to learning.

Families and students who are interested in registering for the course offerings at the elementary, middle, and high schools are encouraged to contact their child's office. Registrations materials are available, with a registration deadline of May 16. Some of the creative offerings are: Adventures in Baking, Paint with Watercolors, Girls Fit for Sports, Piano Lessons, Swim Lessons, Crafty Kids, Rock On! Geology, Driver Education, Strength and Conditioning, and Read Right. There are many more amazing offerings! Also, this year will have a Theatre Camp, "The Greatest Show" for students in grades 2-4. There is something for everyone!

Unity's Alternative Diploma Program Opens Many Doors

In its 18th year, Unity School District's Alternative Diploma Program (ADP) continues to open doors for graduates. It is one of the first and most successful non-traditional, alternative high school programs in the area. Many of its graduates have gone on to successful careers, college, technical training, and military service. The program is available to high school aged students, up to age 20, who seek to earn their high school diploma in a unique setting. Unity's ADP Graduating Class of 2022 will be honored on May 10th! This is the second graduating class from the new Unity Learning Center.

Thank You To Everyone Who Has Supported Our Graduating Seniors With Scholarships!

Summer Is Great Time For Swimming Lessons!

Unity has an amazing Aquatics Center and a fantastic swimming lesson program! Like every summer, swim lessons will be offered in two formats.

First, lessons will occur for students during summer school. Students will receive swimming lessons and water safety safety/acclimation during their summer school day.

Second, there will also be community education swimming lessons scheduled during the summer. Space may be limited for the community education swimming lessons as they are always incredibly popular.

Parents can enroll in swimming lessons for summer school by selecting it on the summer school enrollment form. Enrollment for the community education swimming lessons can be found online at www.unity.k12.wi.us, on the Community Education page.
