

Memo

To: Board of Trustees
From: Rob Sauer
Date: January 7, 2026
Re: Superintendents Board Report

Updates

- The legislative session will officially begin, Monday, January 12th with Governor Little's opening address. Other key dates during the session –
 - February 16 & 17 ISBA's "Day on the Hill"
 - March 27 Target date for adjournment.
- JFAC (Joint Finance Appropriations Committee) has a major change in leadership. Long time legislator, Rep. Wendy Horman has resigned from the legislature to take a position in President Trump's administration. Her JFAC co-chair position will be filled by Rep. Josh Tanner. We don't know the exact impact, but this type of change will have some impacts on an already tight budget session.
