Good morning! Sorry I didn't let you know sooner, but I was trying to secure another job before I resigned. I start work on Monday with the Family Services. I'll still be working with the disabled, which I'm happy to be a part of. I want to sincerely thank you for giving me the opportunity to work with the SPED program. I wish things would have worked out differently but that's another story. Will miss working with you and miss my students and PCAs. I'll return the computers during my lunch break on Monday.

Thank you again,

Rebecca I. Crawford
