The following action item is presented to the board for consideration and approval:

The Eagle Pass Independent School District Continuous Improvement Plan

The Texas Accountability Intervention System and PBMAS have now been combined into one monitoring system.

Due to our PBMAS rating designating our Bilingual /ESL Program at a stage 3, the District is required to implement the Texas Accountability Intervention System, which includes the development of a Continuous Improvement Plan addressing our staged program.

The TAIS system is a continuous improvement process driven by the ongoing collection and analysis of data. TAIS is supported by multiple research-based resources/ documents that guide us through our school improvement process.

Our District Leadership Team, which is comprised of Principals, Directors, Counselor, teacher, and Parent representative have worked collaboratively to create our Continuous Improvement Plan.
