Principal's General Narrative:

There were thirty-five 8th grade students who were able to go through the graduation ceremony on Friday morning. Since the graduation we have verified that four more students were able to pass to the ninth grade due to their passing a needed STAAR Exam in either Reading or Math.

Bracket Jr. High Summer School will be in progress with around thirty students in grades six through eight attending. Mrs. Hernandez and Mrs. McNew are the teachers working with the students in Reading and Math.

8th grade students who did not pass STAAR Exams will have one more opportunity to take the test(s) at the end of June.

I would like to thank each of the board members and Mr. Stephenson for the support and work that you do to make it possible for junior high students to be successful.

Respectfully Submitted,
George T. "Stoney" Burks
