I would like to recommend an increase of 25 cents for lunch for the 2019-20 school year. This would make our lunch prices for all grade levels \$2.25. With free breakfast going away this school year, we did not want to increase breakfast prices.

The recommendation from the price calculation from the USDA is a 15 cent increase. However, with revenue being down mostly because the breakfast count is down, I would like to increase prices by \$.25 cents.

Thank you,
