All 7th and 8th grade teams are currently undefeated as well. 7th grade has 10 girls out and 8th grade has 21

### **Cross country**

There are 22 kids out for cross country and Morgan Nicoletti placed in the top 3 out of 70 at their first meet.

### **Equipment**

We had to purchase 10 new helmets this year as our helmets are getting old and no longer certifiable. Refing fees went up this year as well. We will be talking as an AD group on the possibility of an entry fee increase for next year.
