The Arkansas State Board of Education (State Board) met Thursday, March 9, 2023. Ms. Ouida Newton called the meeting to order at 9:00 AM, followed by a moment of silence.

Governor Huckabee Sanders shared thoughts with the State Board, personally thanking them for the hard work they have done and their commitment to the people of the State of Arkansas. The Governor shared her excitement regarding the March 8, 2023 passage of Senate Bill 294 – Arkansas LEARNS (Literacy, Empowerment, Accountability, Readiness, Networking, Safety), which she described as the most far-reaching and comprehensive education reform seen in Arkansas history and what it will mean for Arkansas teachers, students, and parents. She went on to say that the difficulty will be the implementation of the bill and the reason she wanted to attend today’s State Board meeting, as it will be the work of the State Board of Education in charge of assisting with the rules and implementation.

Changes to the Agenda

Item VI.2. Marvell-Elaine School District will be an informational item, not an action item; Ms. Newton advised that the State Board will not be taking action on Item VI.2. at the March 9, State Board meeting but will probably take action on it next month; therefore, Item VI.2. was moved up prior to the Consent Agenda.

Ms. Newton suggested to the State Board that the April State Board meeting be held at Marvell-Elaine School District to prevent hardship by the Marvell-Elaine community in providing input at the meeting. The State Board members agreed to hold the April State Board meeting at the Marvell-Elaine School District (district); Ms. Newton requested Ms. Stacy Smith, ADE Deputy Commissioner to work with the district to work out the logistics.

VI.2. Marvell-Elaine School District

Item VI.2. was presented by Ms. Shastady Wagner, DESE Attorney Specialist. Also present was Ms. Stacy Smith, ADE Deputy Commissioner.

Ms. Wagner provided the State Board an update on the process.

This is an Act 60 Consolidation, which applies to any school districts in which their average daily membership falls under 350 students for two consecutive years. On November 28, 2022, Marvell-Elaine School District was classified as Level 5 Intensive Support by the State Board. On December 8, 2022, the State Board denied Marvell-Elaine School District's petition for a Minimum School District Size waiver. Consequently, the Marvell-Elaine School District had the ability to partner for a voluntary consolidation or annexation and by law, were to submit petition to consolidate by March 1. Unfortunately, they were unable to find another district with which to voluntarily consolidate; therefore, by law, the State Board must administratively consolidate the Marvell-Elaine School District by May 1st so the consolidation can take effect as of July 1st.

The purpose of the information today is to provide an update to the State Board on the process and is not a hearing. The hearing will take place next month, which will be held in Marvell, as the State Board just agreed on the location of the April State Board meeting. At the hearing, DESE will provide a recommendation for consolidation that is in the best interest of the district and the students. Also at the hearing, the State Board will have the opportunity to hear from Marvell-Elaine, surrounding school districts, and the public.

Ms. Smith provided the State Board with an update on what DESE is currently doing at the Marvell-Elaine School District.
