MEMORANDUM

October 2, 2013

TO: Members of the MVSEC Executive Advisory Board

FROM: Nancy Sporer, Director of Business and Human Resources

RE: Compensation Report 2013-2014

A compensation report is required each year by Public Act 097-0609. Every employer participating in the Illinois Municipal Retirement System must put on its website the total compensation package for each IMRF employee having a total compensation package that exceeds \$75,000 per year. This report also includes all staff members who have a total compensation package of over \$75,000 per year. This report is available on our website, located under "About Us", then "Business Services", then "Compensation".
