Browning Public Schools

Policy # 2126

Policy Name: *Superintendent Consulting Activities*

Regulation: -----

The School Board expects the Superintendent to devote undiminished attention and energy to the concerns of the school district.

The Superintendent will devote time, skills, labor, and attention to the direction and supervision of the school system and will not, during the term of employment, be engaged in any other business. As a result, the superintendent may not be engaged in long-term consulting activities.

Any business of this nature, which requires the superintendent’s absence from the District for three (3) or more days must have the prior approval of the school board.
