## **BOARD OPERATIONS BOARD-SUPERINTENDENT FUNCTIONS**

**JUNE 14, 2021**

The Board of Education recognizes that the legislation and adoption of policies is an important function of a school board and that the execution of the policies is a function of the administration and staff.

Delegation by the Board of its executive powers to the superintendent provides freedom for the superintendent to manage the schools within the Board's policies, and frees the Board to devote its time to three main functions of the Board: Goal Setting – the Board's vision for the District, including the approval and adoption of the budget; Establishing policy for the District and sharing in policy development; and Designating the Chief Executive Officer (recruiting, hiring, and evaluating the superintendent).

The Board holds the administration and staff responsible for carrying out its policies within established guidelines and for keeping the Board informed, through the superintendent, about school operations.
