MEMORANDUM

To: Members of the Board of Trustees
From: Blanca I. Cruz, Associate Superintendent
Subject: Interlocal Agreement – ESC Region 19, Migrant Program
Date: January 15, 2025

HISTORY: The district receives federal funding to serve the needs of our students identified under the Migrant Education Program. Within the program, there are several areas of compliance that must be met including: Identification and recruitment of migrant students, data entry into the TX-New Generation System, direct academic support to identified students (Facilitating Summer Programs/Intercession enrichment, supplemental instruction, progress monitoring for grades and attendance, maintaining progress review forms and action plans for Priority for Service (PFS) students, and Out of School Youth (OSY) Action Plans.

RATIONALE: All districts have the option to administer the program or to enter an interlocal agreement with the Education Service Center, Region 19, to support and administer the services required by the Migrant Education Program in collaboration with SEISD.

Given the recent decrease in federal funding for this program, the district did not fill the Migrant Clerk position responsible for fulfilling these duties. The previous Migrant Clerk's salary was approximately \$30,154.14. The total allotment received for the current year for the migrant program was \$27,924. This amount is not sufficient to cover wages and related student services for the current year. The Administration finds it more efficient and cost-effective to collaborate with ESC 19 in these efforts so that our students can continue to benefit from this federally funded program.

BUDGET IMPACT: The proposed agreement for the remainder of the year is \$21,000. The full amount would be covered with the remaining federal funds available for the Migrant Program (Fund 212).

ADMINISTRATIVE RECOMMENDATION: As presented, the administrative recommendation is to approve the interlocal agreement with the Educational Service Center, Region 19.

For Approval? Yes No

If no, please check one: Presentation Report Information
