CHAPTER III

Taxpayer Assistance

A. Taxpayer Inquiries

Taxpayers are encouraged to contact the firm to resolve their delinquent accounts. We have experienced bilingual personnel available Monday – Friday from 9:00 am to 5:30 pm to assist taxpayers. Each communication represents an opportunity to resolve problems and facilitate the payment of taxes. In addition, taxpayers may tender payments at our local office located on Monroe Street. Our employees will hand deliver those payments to the respective tax offices that same day. We provide taxpayers with receipts to confirm that payment was tendered. This chapter of the report summarizes our taxpayer assistance efforts based on the origin of the inquiry (phone or correspondence).

TOTAL	504	\$877,094.68

B. Payment Arrangements

Taxpayers who are unable to pay their delinquent taxes in full are provided payment plan options based on the criteria set forth by the District. We encourage taxpayers who need assistance to utilize this payment opportunity to resolve their delinquent accounts.

Payment plans help to expedite payment in full by allowing financially challenged taxpayers partial payment options. The Tax Office provides formal payment contracts with specified time periods to pay off the delinquent balance. During the payoff period the account is placed on hold to prevent collection enforcement through legal action. Payment resolutions negotiated by the Firm usually involve business and larger real estate accounts because of the direct contact we initiate to collect the taxes. If partial payments are the only feasible way to resolve the account, we agree to process their partial payments and extend a 30 day hold to make their next payment.

When a payment hold is placed on the account, the Firm will not take legal action to collect the taxes due. All payment holds have a drop date so that collection enforcement can resume as necessary. If an account is already involved in litigation when a payment agreement is made, the litigation process is allowed to continue until a judgment is entered. Efforts to enforce the judgment will not be taken as long as the taxpayer complies with the payment plan.

CHAPTER IV

Research

A. Address and Ownership Research

The Firm's research personnel have access to national search engines to update address information on return mail or accounts on the tax roll that have an insufficient address. Our in-house research specialists are also trained to resolve complex ownership errors in the deed records. In some cases the research must go back to the original plats from the 1800's. When a new address or new ownership record is found, we share our findings with the Maverick County Appraisal District so that they may verify the data and update their records.

ADDRESS & OWNERSHIP RESEARCH	
Time Period	Number of Accounts
July 2018	102
August 2018	85
September 2018	138
TOTAL	325

B. Title Research

Prior to the filing of a lawsuit, the Firm will request an abstract of title from our abstractors to ensure that all lien holders are enjoined in the lawsuit. We randomly select accounts for litigation in addition to selecting specific accounts that we have determined require legal action. If title cannot be verified, the Firm's in-house research team will work with our abstractors and Maverick County Appraisal District to complete the title process.

ABSTRACTS OF TITLE PROCESSED		
Time Period	Title Orders Requested	Title Orders Received
July 2018	0	13
August 2018	0	12
September 2018	0	15
TOTAL	0	40

CHAPTER V

Litigation

The Firm will file lawsuits as necessary to collect taxes due the District. When we file lawsuits we will work closely with the Maverick County District Clerk, Sheriff's Department and Judiciary to ensure our litigation procedures help to expedite the prosecution of every lawsuit filed. Dockets will be set regularly in accordance to the Judge's calendar and sheriff sales will be held as often as necessary on the steps of the Maverick County Courthouse.

The Firm is proactive in its efforts to collect taxes involved in bankruptcy. We monitor new bankruptcy filings every week to determine if taxes are due to our clients. Claims are filed immediately and include not only delinquent taxes but also current year taxes that will be due the District.
