

# Monaco Elementary School

## School Board Communication

### April 2015

Besides the **Texas Bluebonnets** looking beautiful, April started with **Kindergarten Roundup Packets** ready for pick up! We have already given many out to prospective kinders for next school year!

Lifetouch came on the 1st for **Spring Pictures** and group pictures. There were a lot of Easter outfits among the groups.

**StuCo** ran a **Penny Wars** all week from the 6th to the 10th. Grade levels competed against each other. Only pennies count toward their totals. Some sly playing has been going on. A few dollars have made their way to some of the grade buckets! Those count against their totals! Proceeds from this and movie night go toward teacher appreciation gifts.

Our wonderful **PTO** will be hosting an **Ice Cream Bar** for the teachers and staff during the day on the 14th. They always take good care of us. They are truly AWESOME!!

**Mr. Dennis Lee and Nana Puddin'** will be visiting our campus on the afternoon of the 14th! If you have not seen him before, it would be worth a trip out here. He is very motivational and fun to watch! The students will be amazed!

On the 16th, we recognized our parent **Volunteers** with a luncheon commemorating National Volunteer Week. Everyone was delighted with the good food and the appreciation. Thanks to our **Hospitality Team**!

There will also be a showing of "**Toy Story**" on the evening of the 17th. This event is sponsored by the **Stu-Co**, student council, and is one of their fund raisers. Admission is free, but available there will be: make-your-own sundaes, pizza, and beverages for purchase. Start time is 6:30 pm in the MES cafeteria.

We are proud to announce that MES had four 5th grade students who entered their **Science Fair Projects** in the **TWU Science Fair**. The students will compete on Saturday the 11th.

**Fish Camp** will be wrapping up on the 15th. All of the students have been studying diligently. Third through fifth grades will be taking various **STAAR** tests the following week the 20th, 21st, and 22nd. We know that they will do their very best!

On the night of the 23rd, the **Kindergarteners** will be performing their musical, "It's Spring". The program begins at 6:30 pm. The students always do a great job!

**Bloomfield One-Room Schoolhouse** will be the destination for 4th graders the week of the 27th. Students will dress to fit the late 18th century rural schoolhouse setting and experience a little bit about the history of the schoolroom. This is located in Pilot Point and is a great teaching tool for teachers.

**Kindergarten Roundup** will be the 30th from 5 to 7 pm in the MES cafeteria. We are expecting great numbers, evidenced by the interest we have had so far.

***We at Monaco Elementary wish you a Happy Easter!!***
