RE: October 2025 FYTD Financial Report

Executive Summary

The October 2025 Treasurer's report is attached. YTD results are favorable to budget by \$90 thousand.

Revenue

Revenue through October is \$21.7 million, which lags forecast by \$225 thousand due to timing of property tax receipts and federal special education reimbursements.

Expenditures

Expenditures through October are \$5.2 million. Expenditures are \$300 thousand favorable to forecast due to lower payments to True North than forecasted and a delay in the monthly transportation bill.

Cash

The October ending cash balance was \$225,047.

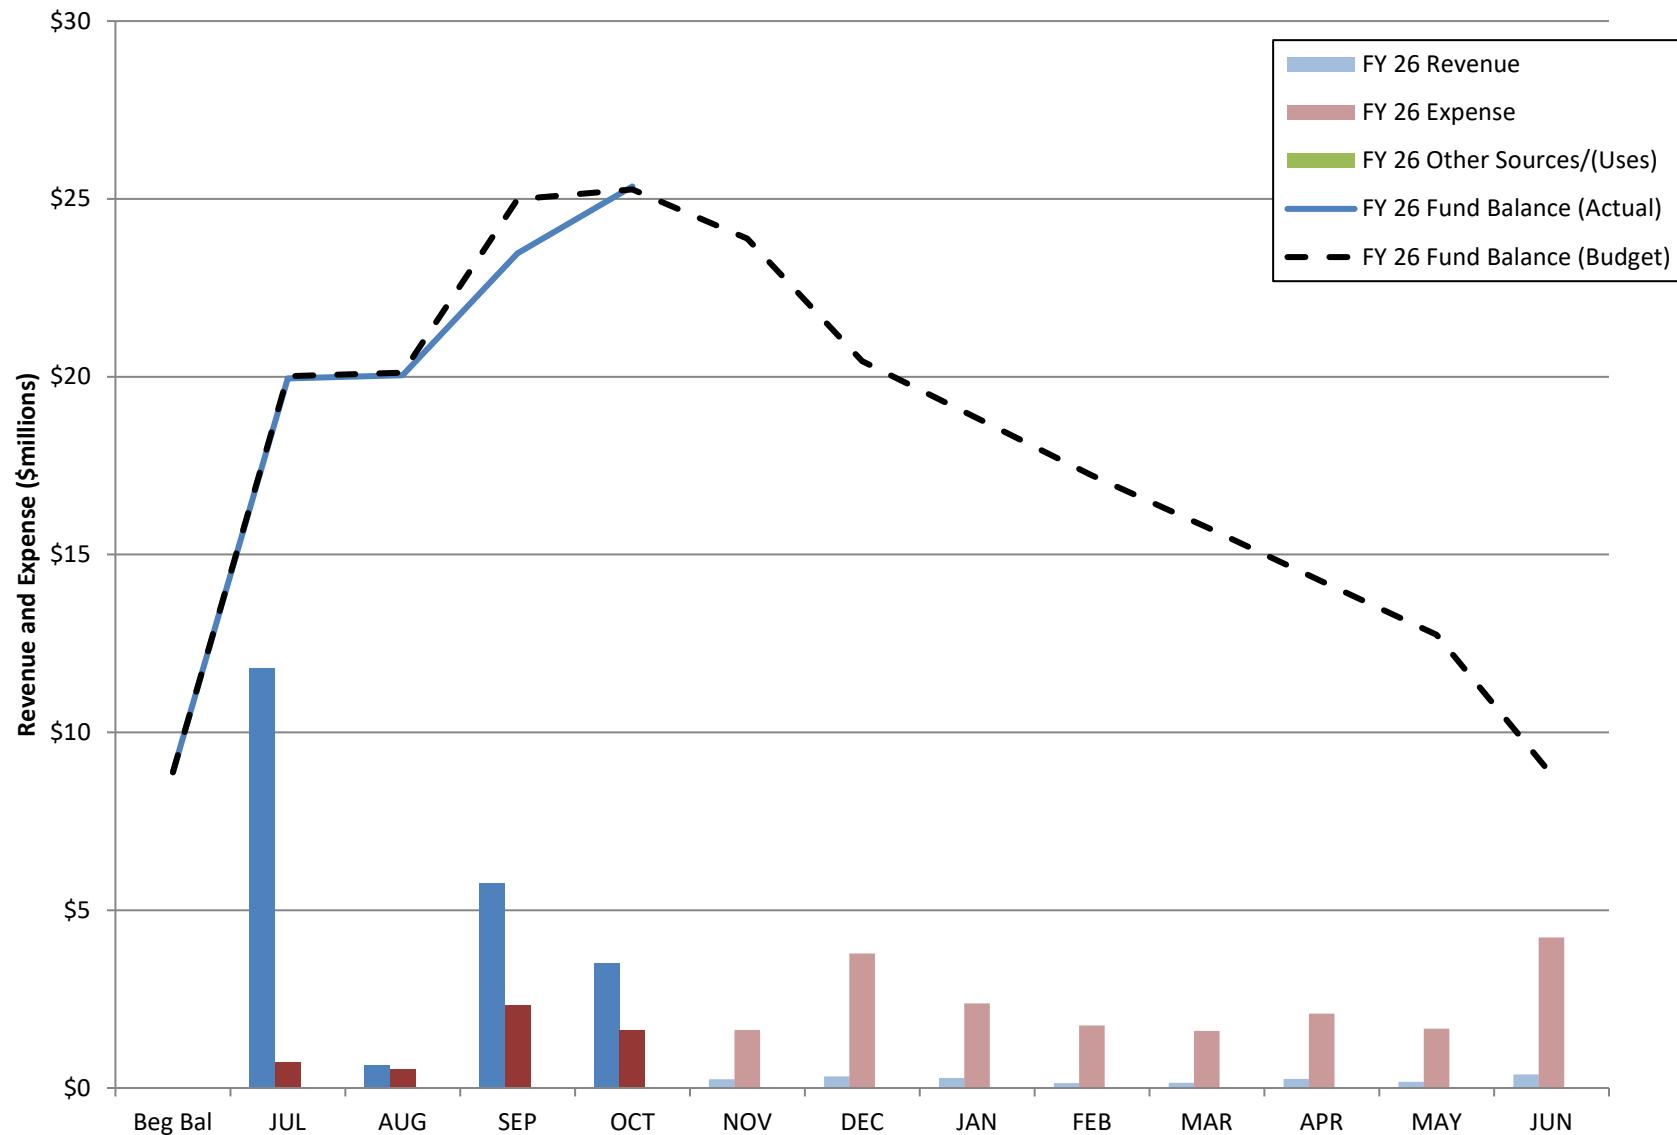

The month end investment balance was \$25,269,266. Investments have an average maturity of 164 days and an average portfolio yield of 3.98%. Interest rates have dipped below 4% for the bulk of our investment of the second installment of property tax revenue.

Approximately 40% of the portfolio is invested in securities, 48% is invested in CDs, and the balance is in money market and high yield savings deposits
