October is National Principals Month, and we want to express our heartfelt gratitude to the amazing principals who lead our schools in CHISD. Their dedication, passion, and commitment shape the educational experiences of our students and foster positive school cultures.

Anyone who has spent time on a campus knows that the principal is the driving force behind whether or not a campus is successful, at the student, staff, and community levels..

At CHISD, we are fortunate to have outstanding principals that inspire teachers, staff, and students to strive for their best. They navigate challenges with grace and create environments that are focused on every student, every time, all the time.

Our principals are here with us tonight, and I'm going to ask them to stand as I say their names. Please hold your applause until the end.
