RE: Compensation Report 2014-15

A compensation report is required each year by Public Act 097-0609. Public Act 097-0609 (4 ILCS 120/7.3), requires employers participating in the Illinois Municipal Retirement Fund to post the total compensation package for each employee having a total compensation package that exceeds \$75,000.00 per year. "Total Compensation Package" means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted and sick days granted. This information is available for viewing at mvse.org/About Us/ Human Resources and then /"Compensation".
