Hello,

I hope this letter finds you well. I am writing today to resign as the Assistant Boys Varsity Hockey Coach. I am grateful for the opportunity that I have been given to continue the coaching tradition that my family has created in both the boys and girls hockey programs.

I have spent many nights talking with family and friends, and it seems like a good time for me to step aside and allow someone else to have a similar opportunity to be a part of the Bronco program.

Throughout my years with the team, I have tried to set a good example for the students on and off the ice. I am hopeful that at least some of the student-athletes that I have coached have learned values that they can take outside of the hockey rink.

I would like to say thank you for allowing me to coach the Boys High School Hockey team. I always hoped to have an opportunity to give back to the program that I cherished so much as a student at Falls High.

I wish nothing but the best to all of our school sports. I can't wait for the day that my daughter is sporting the purple, gold, and white jersey.

Thanks again,

Sincerely,

Jon McDonald
