Re: Budget Update

I would like to continue the conversation with the Board of Education regarding the 2019-2020 and 2020-2021 budgets that we last discussed at the Study Session on May 26, 2020. I plan to update the Board on our continued budget progress and share the most current information we have gathered since we last met. I will present the Board with a recommended final budget amendment for the 2019-2020 school year that includes adjustments to both the revenue and expenditure side. I will also present a recommendation for a proposed budget for the 2020-2021 school year and seek the Board's feedback and recommendations on how to proceed.

Please add this item to the agenda. Thank you.
